CHRISTMAS MENU

27TH NOVEMBER - 15TH DECEMBER

Boasting arguably the most impressive view on campus, Cafe 21 is our very own vegan, vegetarian and sustainable fish restaurant situated on the top floor of Infolab 21, near South West Campus.

The Cafe’s ethos is centred around a diverse selection of dishes made using local, fresh, and sustainable ingredients with a strong focus on social responsibility. This modern approach has earned the team the Soil Association’s coveted Food For Life Gold Award for the last three consecutive years.

Our Christmas Menu will be available between 27th November and 15th December. Walk-ins are welcome depending on availability, but booking is advised.
