

3 Our environment

3.3 PLANTS AND PETS IN OUR ENVIRONMENT

Examiner's task sheet

These two pictures show people with their plant and pet. Compare and contrast them. Include the following points:

1. the reasons for having these living beings
2. the activities that people do with them
3. people's feelings about these activities
4. your feelings and your family's feelings about having such living beings

Prompts for the interlocutor:

1. How do you look after them? / Which of them needs more care? Why? / What do you do with them?
2. What do people enjoy about having a pet / plants?
3. Which of these pictures could be more characteristic of you / your family? Why?
