Please find enclosed the invitation and reply form for this year’s Quernmore Park Charity Clay Shoot. This year, we are raising money for the Leonard Cheshire Home at Holehird and Defying Dementia.

Leonard Cheshire is the leading charity provider of services for disabled people in the UK - they also operate in 51 countries around the world. In the UK 140 services support over 10,000 disabled people, offering flexible services to meet a range of needs. Their aim is to enable disabled people to get on with their own lives, whether they need intensive support, respite care or just a few hours a week in their own homes. Residential homes, supported living accommodation, care at home and day care offer a wide spectrum of support. They also provide innovative services for people with an acquired brain injury. They are committed to quality and regularly review their work, involving their users, to ensure they provide the best services possible. The Reynolds family from Leighton Hall say ‘As a family we are enormously grateful to the Leonard Cheshire Organisation and its home at Holehird in Windermere. Katherine was transferred there from Chesterfield, having suffered a severe brain injury, and thanks to the dedication of the staff and physiotherapists, has made a significant improvement. We are constantly impressed by the standard of care, dignity and support that Holehird offers all its residents and their families.’ Please see their website for more information: https://www.leonardcheshire.org/what-we-do/disability-care-and-support/care-homes/holehird

Defying Dementia is a community-supported campaign to raise money for the research carried out at Lancaster University which is tackling the big threat presented by brain diseases, such as Alzheimer’s, Parkinson’s and Motor Neurone Disease. Lancaster University’s Defying Dementia campaign needs support to tackle these frightening diseases. Their researchers are finding ways to diagnose these diseases earlier, when there is still a chance of slowing them down. They are also developing new treatments which will give hope of a cure and identify and test drugs already in use for other conditions that could be used to treat these diseases. Please see their website for more information: http://www.lancaster.ac.uk/defyingdementia/

The day will take a similar format as before - for those of you that have not been before, this consists of clays and lunch during the day and an evening/night BBQ and knees up – prices are shown on the reply form. Simply use the reply form to let us know whether you would like to come and who you are bringing with you. If you are able to bring 3 others with you to make up a team then great - if not, don’t worry, we will put you into a suitable team.

Please note - If you don’t shoot, please come along to watch/support or just come to the BBQ in the evening – the more the merrier and the better for our chosen charities. Children are very welcome. For accommodation, find a friend nearby, plenty of space for tents at QP or book into a B&B or there is a travel lodge type thing at J34 M6 http://www.holidayinn.co.uk/.

Please note the following:

- Quernmore Park is about 3 miles from J34 (Lancaster junction) of the M6 so it is very easy to get to.
- If you would like to come, please send your reply form (showing how many people are coming) to Quernmore Park, Lancaster, LA2 9HJ, enclosing a cheque for the correct amount (payable to Quernmore Park Clay Shoot).
- It would be greatly appreciated if you could reply and pay before 31st July 2015.
- Malmos Gunshop is providing cartridges at a reduced price so we do make a small bit on selling these to you – it would be appreciated if you could buy cartridges from us.

If you cannot make it but you would like to make a donation, please complete the Gift Aid form, entering the charity that you wish to donate to and make your cheque out to either Lancaster University, writing Defying Dementia on the back of the cheque, or Leonard Cheshire Homes (NOT Quernmore Park Clay Shoot) and send them both to Quernmore Park so that we can keep a tally of what we raise.
