CAR PARKING POLICY DOCUMENTATION

Student Car Parking Policy
2017/18
Effective 1ST October 2017
Student Car Parking Policy for 2017/18

Lancaster University has excellent bus services to the city centre (15 per hour during term time weekdays) and very good cycle routes. Most students find they do not need a car. For transport information see the Facilities website: http://www.lancs.ac.uk/facilities/travel.

Access to parking is regulated to limited student categories to ensure that those students who really do need a car are eligible for a car parking permit.

Students without a permit should not park on any public roads surrounding the University campus in the interests of road safety and local residents.

Please also refer to the Car Parking Policy (Principal Document) for additional policy information including policy on parking at Chancellors Wharf. This document is available on the Car Parking Policy webpage on the website.

IMPORTANT:
Parking enforcement in the South West Campus Parking Zone on Alexandra Park for 2017/18 for the failure to clearly display a valid permit or pay and display ticket will commence on Monday 16th October 2017 (Week 2).

Important - please note:
- Permits are for the South West Campus Parking Zone on Alexandra Park only and cost £134 for the full year.
- The South West Campus Parking Zone does NOT include the car parks of the Lancaster House Hotel which are privately managed and enforced.
- Any supporting letters will need to provide proof that the stated criteria are satisfied.
- The copying of permits is strictly prohibited and will result in the person being banned from parking on campus.
- Only eligible students will be able to obtain car parking permits.
- Each applicant is responsible for ensuring that their evidence arrives at the Parking Office.
- Places of employment within the urban core area can normally ‘reasonably be reached by public transport’, unless work starts before 08:30 (09:45 on Sundays) or finishes after 23:30.

Cost:
- Annual Student Permit (South West Campus Parking Zone on Alexandra Park): £134
- Annual Chancellors Wharf Permit (not valid on campus): £134
- Termly Student Permits (South West Campus Parking Zone on Alexandra Park or Chancellors Wharf): £51 per term

Student Staff:
Students not resident on campus who are employees of the University or a tenant based on campus working for more than 8 hours per week every week during term-time (between 08:00 -18:00 Monday – Friday) may apply for parking permit. This will be an Alexandra Park Permit valid only in the South West Campus Parking Zone on Alexandra Park for the duration of the employment. Evidence will be required. The employment must be likely to continue for at least two terms. Parking must be in connection with the employment.

Students that live on main campus with children aged 5 years or under:
Such students are eligible to upgrade their Staff Parking Permit to be able to park in the Visitor Parking Zone as well. Please visit the Parking Office in Security to arrange.
**Summer Vacation:**

Restrictions on permit eligibility for students do not apply in Summer Vacation periods. In these instances students can purchase a Summer Vacation Permit for the SW Campus Parking Zone on Alexandra Park, priced at £51. Note that parking enforcement continues through all vacation periods, including summer.

**Scratchcards:**

Students are not permitted to buy or use one-day parking scratchcards.

**Complaints Procedure:**

Any student wishing to make a complaint regarding the Student Car Parking Policy and/or make suggestions for further improvement can email the Facilities Division at facilities.helpdesk@lancaster.ac.uk. All complaints / suggestions will be logged for the annual policy review process.

**Categories of students eligible for parking permits:**

* Category 1: Varying permit lengths for this type of permit will apply to reflect the sometimes temporary nature of the mobility impediment or sick dependent relative. This *temporary* approach to permit eligibility provides a fairer and more appropriate way to manage the need, based on *temporary* mobility or sickness issues. This is to be addressed through the issuing of termly permits.
