SPORT LANCASTER

Whatever your sport, we have the facilities for you to train and play on campus.

Our fantastic Sports Centre facilities include a 25-metre swimming pool, an 8.5-metre climbing wall and bouldering cave, four glass squash courts, eight badminton courts, a wide range of outdoor courts and pitches, a 3G pitch, a crown bowling green and an artificial cricket wicket. As well as these extensive sport facilities, we also have a 100-station gym, a fitness studio, a health suite and an outdoor Woodland Walk and Trim Trail offering some fresh-air fitness.

We even have an 11-hole golf course, situated in the beautiful grounds of Forrest Hills. And, if you're looking for training support, you can turn to our Personal Training Team and Physiotherapy Team.

Whether you enjoy competitive or recreational sport, keeping healthy in body and mind or simply enjoy being active, we have everything you need. Come down to the Sports Centre to tour our facilities between 10.00 and 3.00, or see our Sports and Wellbeing talk at 10.45, 12.15 & 1.45.

To help you gain an insight into the different types of business and management courses we offer, you can attend an Experience Session as part of your Open Day. There will be a variety of sessions on offer, including taster lectures and interactive workshops. The sessions take place at 11.30 and 2.30 and you can register at the information point in the Management School Hub.
