Dear Ms Annette and Valentina,

I wrote this article some years ago, thinking our local paper might be interested but they had apparently a policy of printing only contributions from staff writers, I was too long for the letter pages, so that was that. Seemed a bit of a waste of otherwise unrecorded history to me, so if you can make use of it, do so.

I enclose S.A.E. for return.

Good luck with your project.

Yours sincerely,

(MRS) Barbara Goulter

P.S. I believe the director's name was Samuelson. I should mention that I saw your request in "Mature Tymes".
