Dear Peggy

Enclosed with thanks are your beach photos from the 30s and 40s. I have made photocopies of all of them, and transcribed your notes for our files. I had photographic enlargements made of two, which we shall also keep in the archive. These, with your permission, we would like consider using in scholarly publications, should the moment arise: may I assume this is OK with you unless you tell me otherwise? I have pleasure in enclosing your copies of the enlargements.

Coincidentally, my parents once took me to Corton Beach for a holiday camp holiday--it must have been in the 1960s. I have a picture of myself wearing a skirt with one of those frilly petticoats that were fashionable then: not nearly as smart as the Laundry babes!

Many thanks once again for all your help with the project.

Yours

Annette Kuhn
