Dear Sir or Madam

I have always been keen to write about my teenage yrs of Cinema My sister & I used to go about 3 times a week, none if we could beg coppers of my Mom's Dad also older brother I remember them opening only about once a yr on Sunday, that was for Charity to the Hospitals called "Hospital Sunday". It would take a book for me to tell you all the stars I remember. Now I am having my young days brought back to me by old films on TV. You can imagine the pleasure it brings me. I am 79 live alone but the yrs roll by and I am in my teens again.
Yours most sincerely D English.

I often wonder what has happened to
the stars I loved the Bennet Sisters Constance &
Joan, Clive Brook Robert Young & Robert Montgomery
also Robert Mitchell & Robert Cummings to name
but a few. ~~But~~ Barbara Stanwyck, Douglas,
Montgomery, I could go on. I've certainly
enjoyed the Fred Astaire & Ginger Rogers
film what a pair of Dancers.
