Dear Dr Kuhn,

In response to an article which appeared in the "Glaswegian", I am writing to you to see if I can be of assistance to you in your research. I lived through the '30s - and was a cinema fan - albeit a young fan. Pictures three and four times a week was quite common, and when I left school in 1941, I was 14 yrs old, my first job was a 'spoolboy' i.e. rewinding the films in an East End cinema. I worked in that cinema and became a qualified projectionist with three years National Service breaking my service.

If I can be of assistance to you, please do not hesitate to contact me - wishing you well in your quest.

Sincerely

Thomas Mc Goran
