

## 1 Personal information and family

### 1.4 YOUNG CHILDREN AND TEENAGERS

#### Examiner's task sheet

These two pictures show children of different ages. Compare and contrast them. Include the following points:

1. their main activities and interests
2. their difficulties and problems
3. similarities to and differences from *your* life
4. your preference

#### Prompts for the interlocutor:

1. Why do these children enjoy these activities?
2. What other activities are typical of children of these ages?
3. What things are important for them? / What makes them happy?
4. Which age is better in your opinion? Why?
