### 2.2 TWO PLACES FOR SHOPPING

#### Examiner's task sheet

These two pictures show people shopping. Compare and contrast them. Include the following points:

1. How is shopping different in these places?
2. Why do you think these people choose to do their shopping in these places?
3. Which picture is more typical of your family's shopping habits? Why?
4. Why would you go to such places?

#### Prompts for the interlocutor:

1. What kind of goods can you buy in these places?
2. What are the advantages of doing the shopping there?
3. Could you compare the prices / the choice of goods / the time it takes to do the shopping / the way people do the shopping / the atmosphere in these places?
