3.5 TWO PLACES TO LIVE

Examiner's task sheet

These two pictures show different places to live. Compare and contrast them. Include the following points:

1. the advantages and disadvantages of living in these places
2. the kind of people who live there
3. similarities to and differences from the place where *you* live
4. your preference

Prompts for the interlocutor:

1. Which place is better for a young couple / small children / teenagers / old people? Why?
2. Which place is cheaper / friendlier / nicer / more comfortable? Why?
3. Which place is more similar to your dream home? How is your dream home different from these places?
