

3 Our environment

3.6 TWO SEASONS

Examiner's task sheet

These two pictures show people in different seasons. Compare and contrast them. Include the following points:

1. the weather
2. the clothes
3. the activities in the pictures and other typical activities at that time of the year
4. the people's and your feelings about these activities

Prompts for the interlocutor:

1. Is this typical summer / winter weather? Why do you say so?
2. What are these people enjoying about such weather / these activities?
3. Which of these two seasons do you like more and why?
4. What do *you* like doing in these seasons?
