4.4 THE BEGINNING AND THE END OF GOING TO SCHOOL

Examiner's task sheet

These two pictures show the beginning and the end of going to school. Compare and contrast them. Include the following points:

1. What do pupils / students have to do in these pictures?
2. How do you think they feel? Why?
3. What and how do they study at these ages?
4. How similar or different were your experiences?

Prompts for the interlocutor:

1. What is a lesson like for small children?
2. How is an exam different from a lesson?
3. What can make young pupils and students happy in these situations? Why?
