

7 Free time and entertainment

7.5 TEENAGERS SPENDING THEIR FREE TIME

Examiner's task sheet

These two pictures show teenagers spending their free time in different ways. Compare and contrast them. Include the following points:

1. Where do you think they do these activities?
2. Why do you think they like these activities?
3. What are the good / bad points of these activities?
4. How typical are these activities of you and your friends?

Prompts for the interlocutor:

1. Which of these activities is more fun / more popular with teenagers / cheaper to do / healthier / more relaxing / needs more preparation? Why do you think so?
2. How important is music / fitness for you / your friends / teenagers?
3. What motivates young people to do these activities?
