

## 8 Travelling

### 8.3 CHILDREN TRAVELLING TO SCHOOL

#### Examiner's task sheet

These two pictures show children travelling to school. Compare and contrast them. Include the following points:

1. Why do you think the children in the pictures use these means of transport?
2. How do you think they feel?
3. How do you think their parents feel about these ways of travelling?
4. What problems might these children have while travelling to school?

#### Prompts for the interlocutor:

1. Which means of transport is faster / more comfortable / cheaper / safer / better for the environment? Why do you think so?
2. What are the advantages /disadvantages of these means of transport?
3. What should the children in the pictures be careful about?
