8.4 TWO WAYS OF SIGHT-SEEING

Examiner's task sheet

These two pictures show people sight-seeing. Compare and contrast them. Include the following points:

1. how these ways of sight-seeing are different
2. why people may choose these forms of holidays
3. difficulties of doing sight-seeing in these ways
4. your preference

Prompts for the interlocutor:

1. Which of these two ways of sight-seeing is cheaper / more interesting / more adventurous / more tiring / provides more information about the sights? Why?
2. Are both these ways of sight-seeing appropriate for anyone? If not, why not?
3. What kind of accommodation / meals / travelling / programmes is typical of such holidays?
