8.5 TWO WAYS OF TRAVELLING

Examiner's task sheet

These two pictures show different ways of travelling. Compare and contrast them. Include the following points:

1. Why do you think these people have chosen to travel in these ways?
2. What do you think they will do during their journeys?
3. What problems might they have during their journeys?
4. Which of these two ways of travelling would you prefer? Why?

Prompts for the interlocutor:

1. Which of these ways of travelling is cheaper / faster / more comfortable / safer / more interesting / more tiring? Why?
2. What kind of people usually travel in these ways and why?
3. Have you ever had a similar journey? If yes, how was it similar? / If no, which of these ways of travelling would you like to try and why?
