# Designing for users with low vision

**Do…**

- Use good colour contrasts and a readable font size
- Publish all information on web pages
- Use a combination of colour, shapes and text
- Follow a linear, logical layout
- Put buttons and notifications in context

**Don’t…**

- Use low colour contrasts and small font size
- Bury information in downloads
- Only use colour to convey meaning
- Spread content all over a page
- Separate actions from their context
