

# Love Your Lakes Business Event

Save ££££'s on your  
water and energy bills

Love Your Lakes

'Love Your Lakes', as part of Windermere Reflections, is pleased to invite you to this jam packed event designed exclusively for businesses around Lake Windermere.

Gain an understanding of how to save money by reducing water and therefore energy costs. Also learn how to minimise pollution and improve green credentials.

Every business uses water in some way, if you are concerned about energy costs and require practical, technical solutions then this event is for you!

Come along and talk to the experts about what works best for your business. Browse the numerous Market Stalls to check out a range of water saving devices from local suppliers. Learn about protecting the lake from pollution and see how your business can get involved in a range of new initiatives.

For full programme details and information about exhibitors please contact:
