A lot of their roles are 12 months or permanent positions but they also have shorter term positions as well. They also send a newsletter every Monday with their opportunities (generally 40-50) which graduates can register for at [www.graduatetomerseyside.co.uk](http://www.graduatetomerseyside.co.uk).

West Midlands:

- **Graduate Advantage** represents a partnership between several SHE institutions in the West Midlands, signposting graduates to a range of paid and voluntary internships.
