

Edward Roberts Court Remodelling Project

An aerial, isometric-style photograph of a courtyard. In the background, a multi-story brick building with several windows is visible. The courtyard features tiered, curved seating areas with grey and blue steps. In the foreground, there are three large patio umbrellas: one orange, one yellow, and one light grey. The ground is paved with light-colored tiles. The overall scene is bright and clear.

Diversion Route Plan.

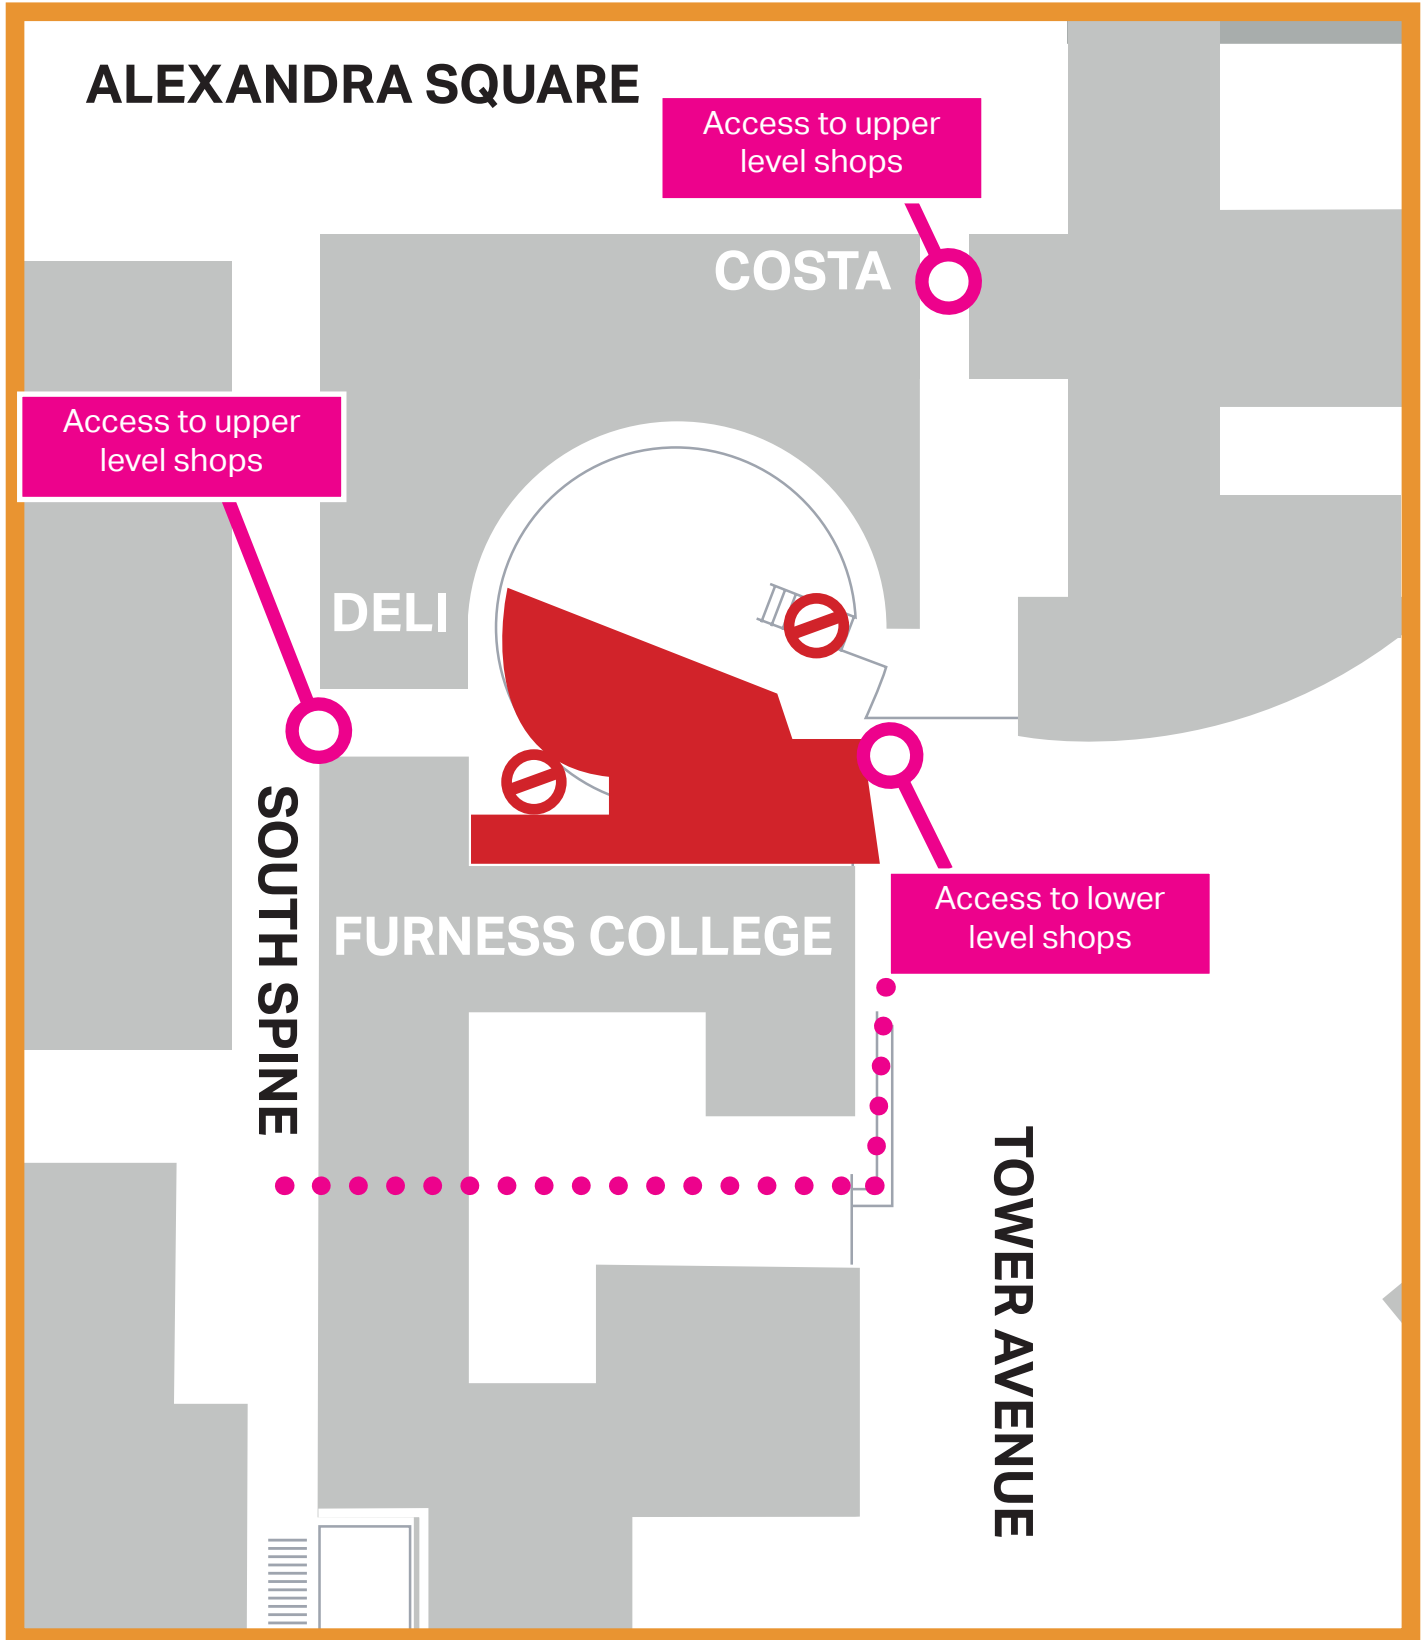

A phased approach to construction has been adopted to mitigate disruption during the £1m remodelling project in Edward Roberts Court.

This document works with the phased site plans to identify the diversion routes inline with the plans. Because of this, please be aware that dates may change.

Phase 1

This phase of works is programmed between: 1st July - 2nd July

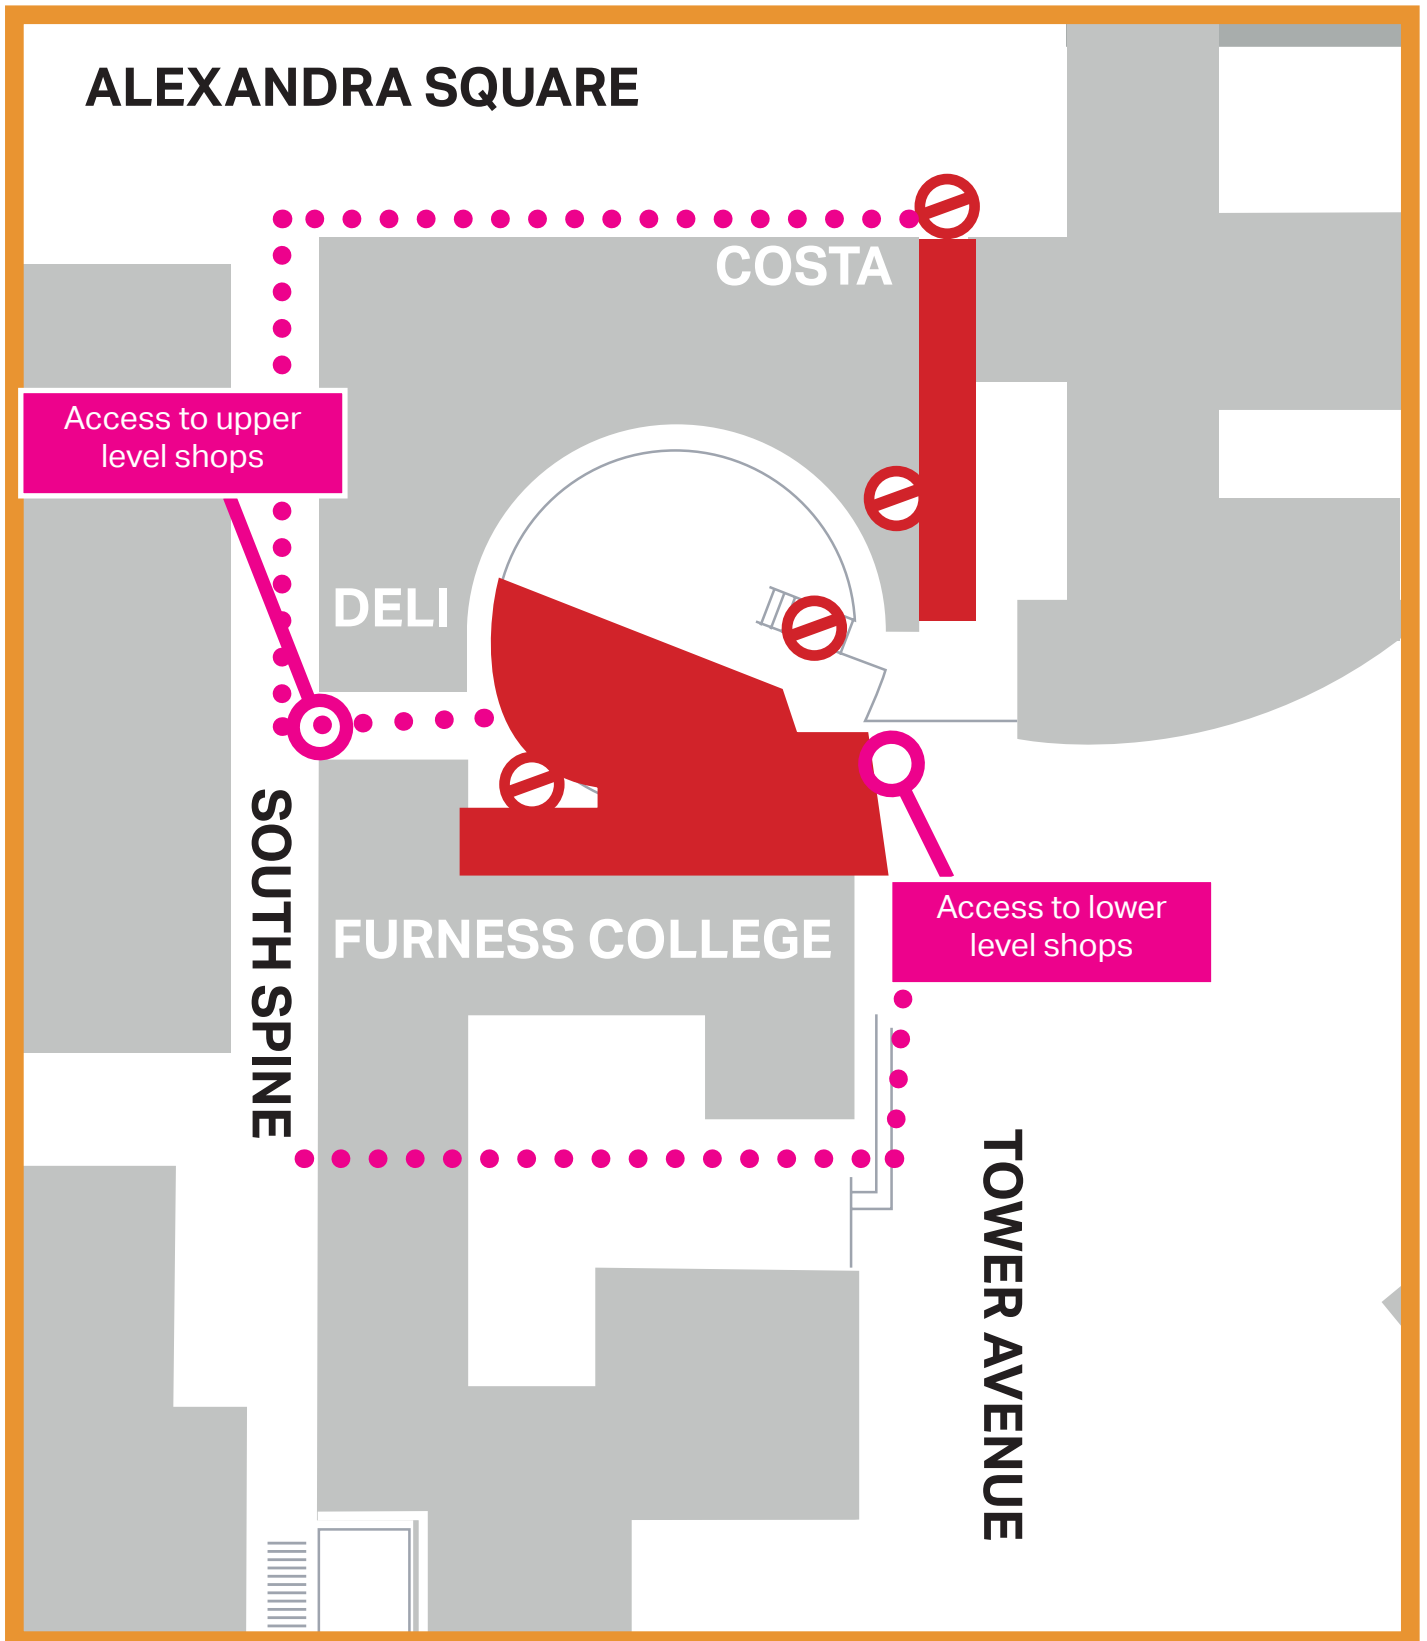

-  Contractors Site Area
-  No Access
-  Pedestrian Diversion

Phase 2

This phase of works is programmed between: 2nd July - 12th July

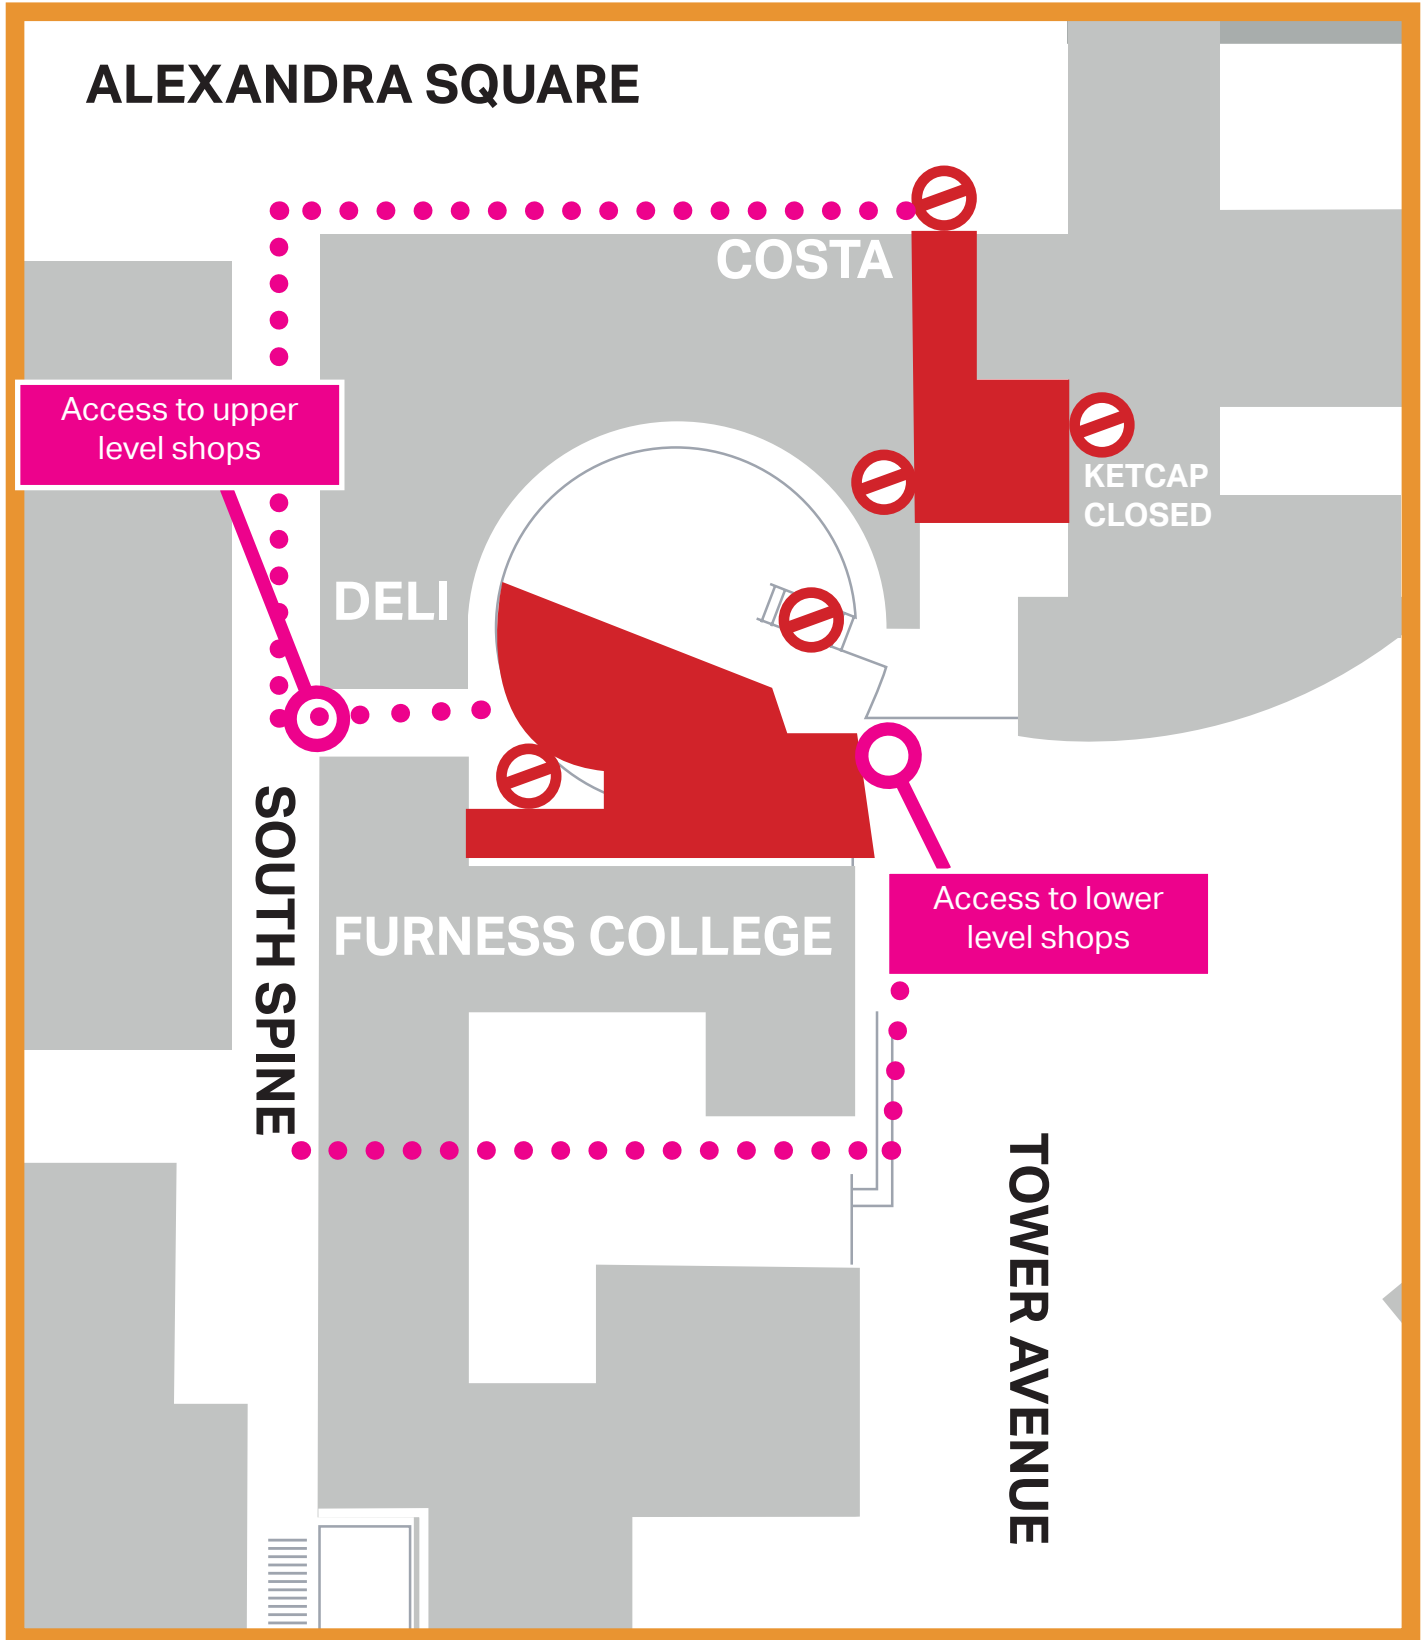

-  Contractors Site Area
-  No Access
-  Pedestrian Diversion

Phase 3

This phase of works is programmed between: 15TH July - 19th July

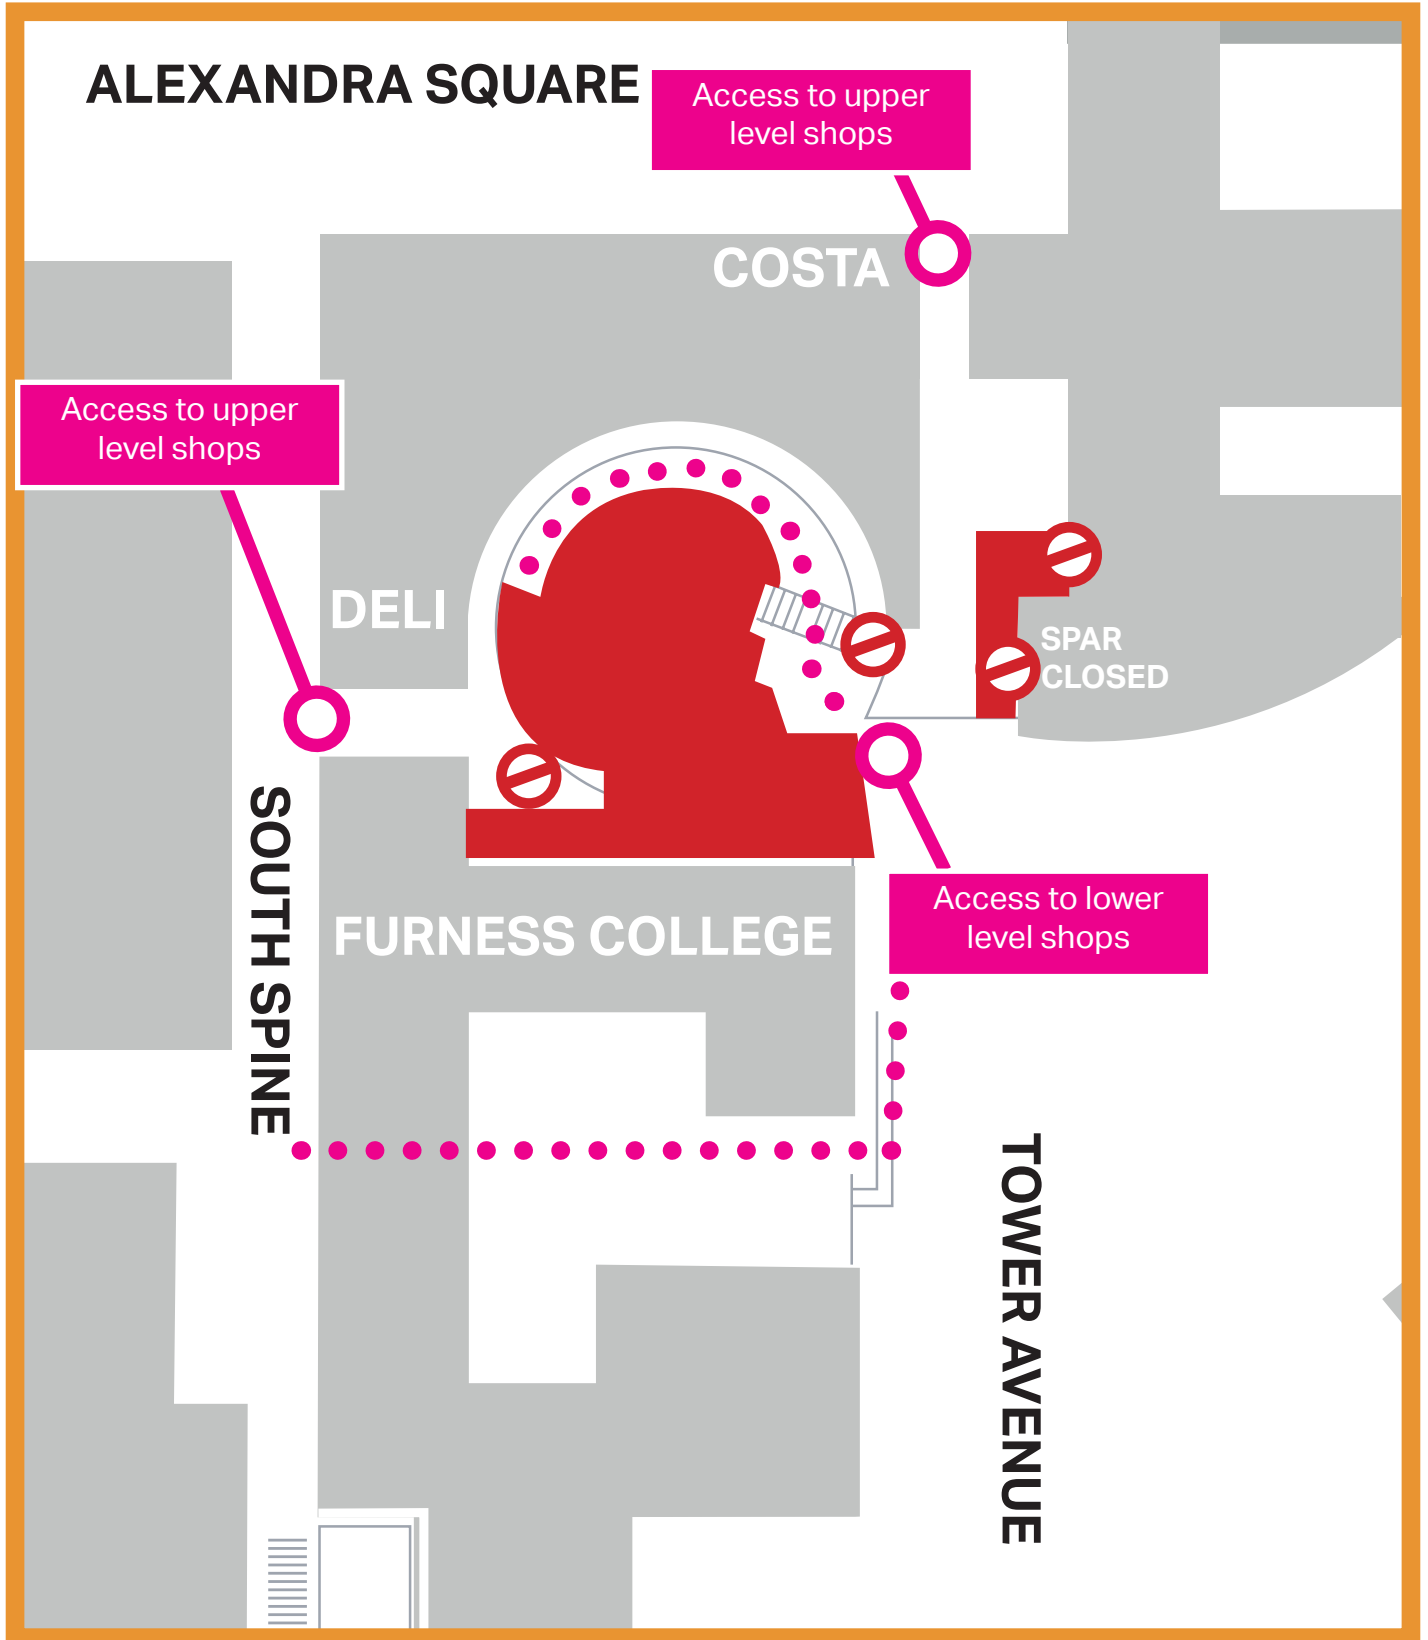

-  Contractors Site Area
-  No Access
-  Pedestrian Diversion

Phase 4

This phase of works is programmed between: 20th July - 21st July

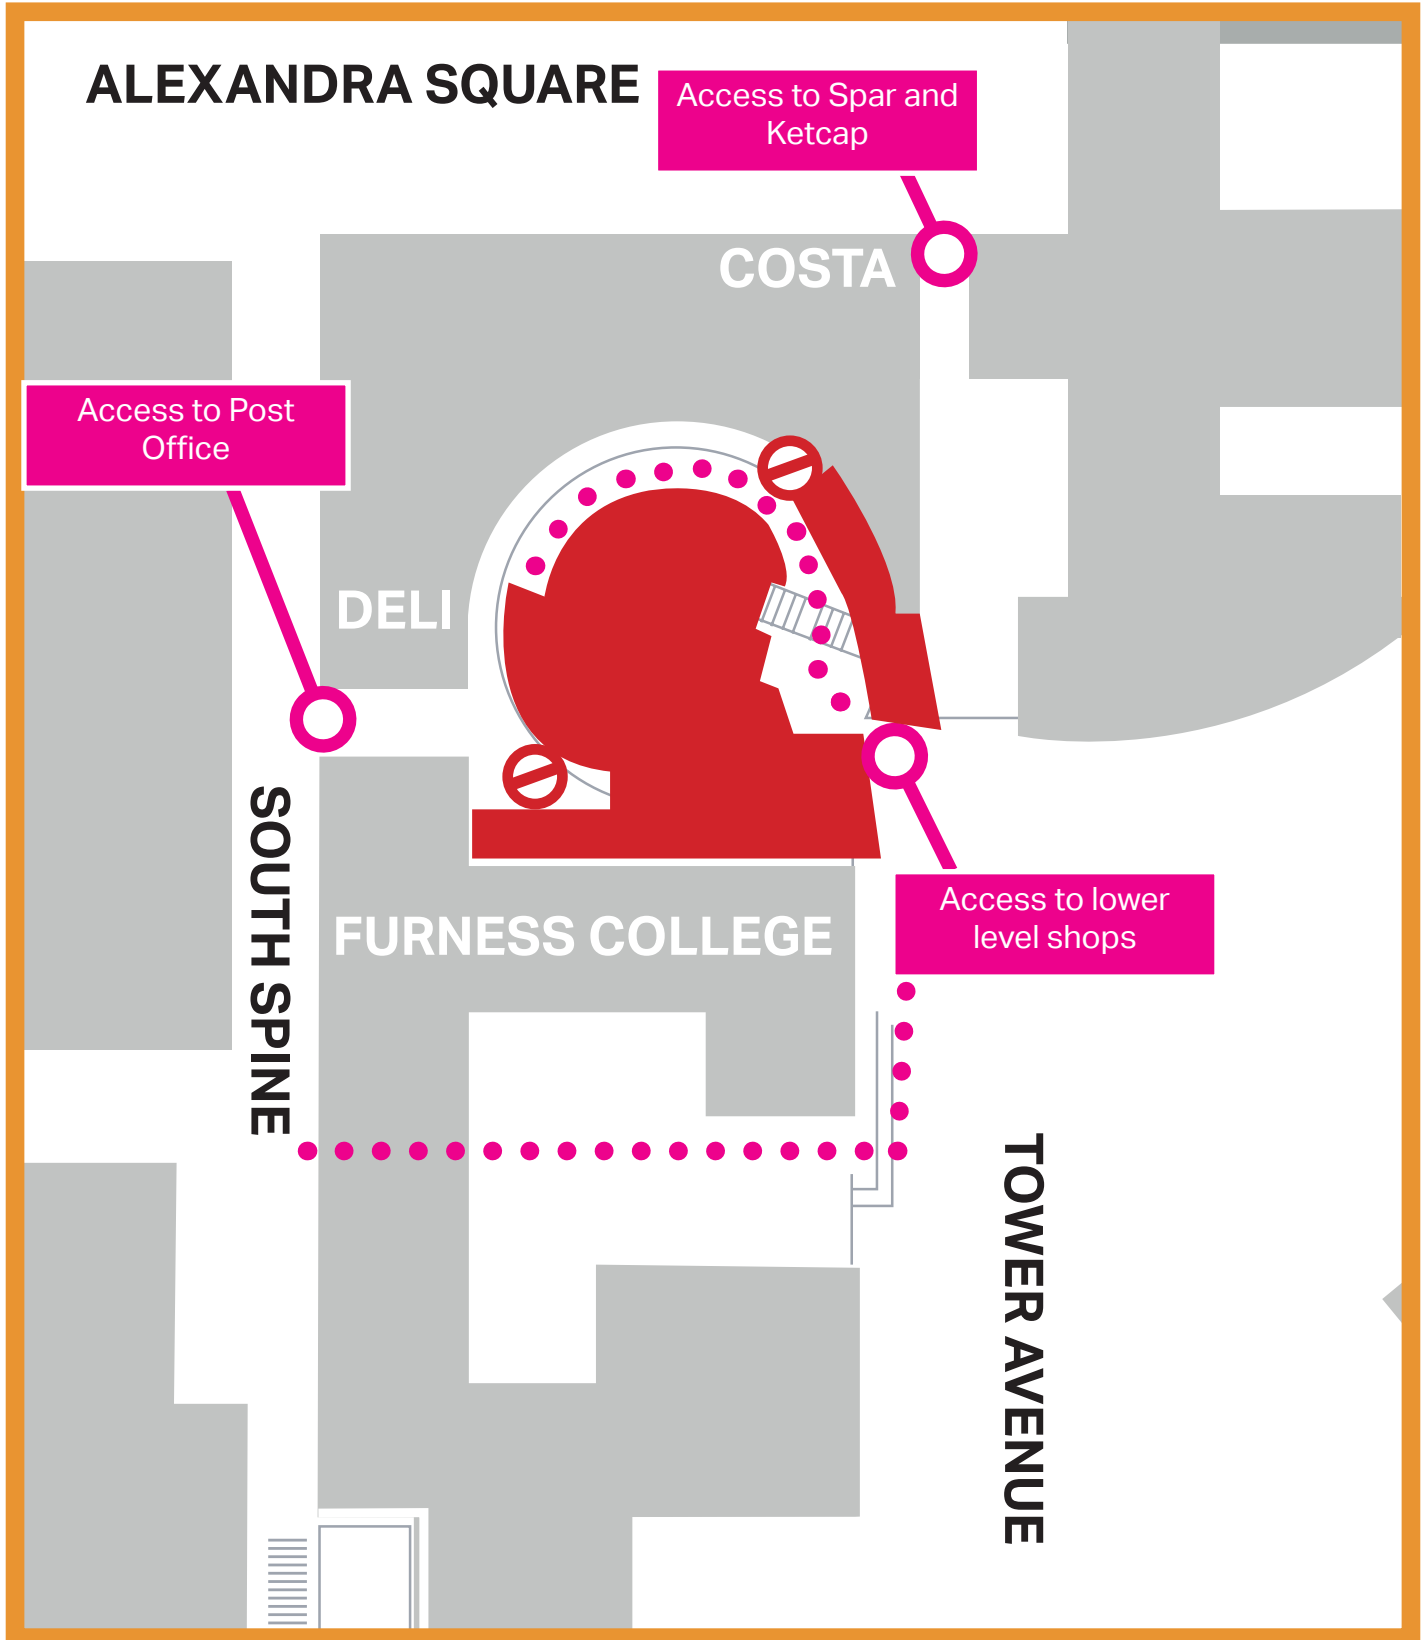

-  Contractors Site Area
-  No Access
-  Pedestrian Diversion

Phase 5

This phase of works is programmed between: 22nd July and 2nd August

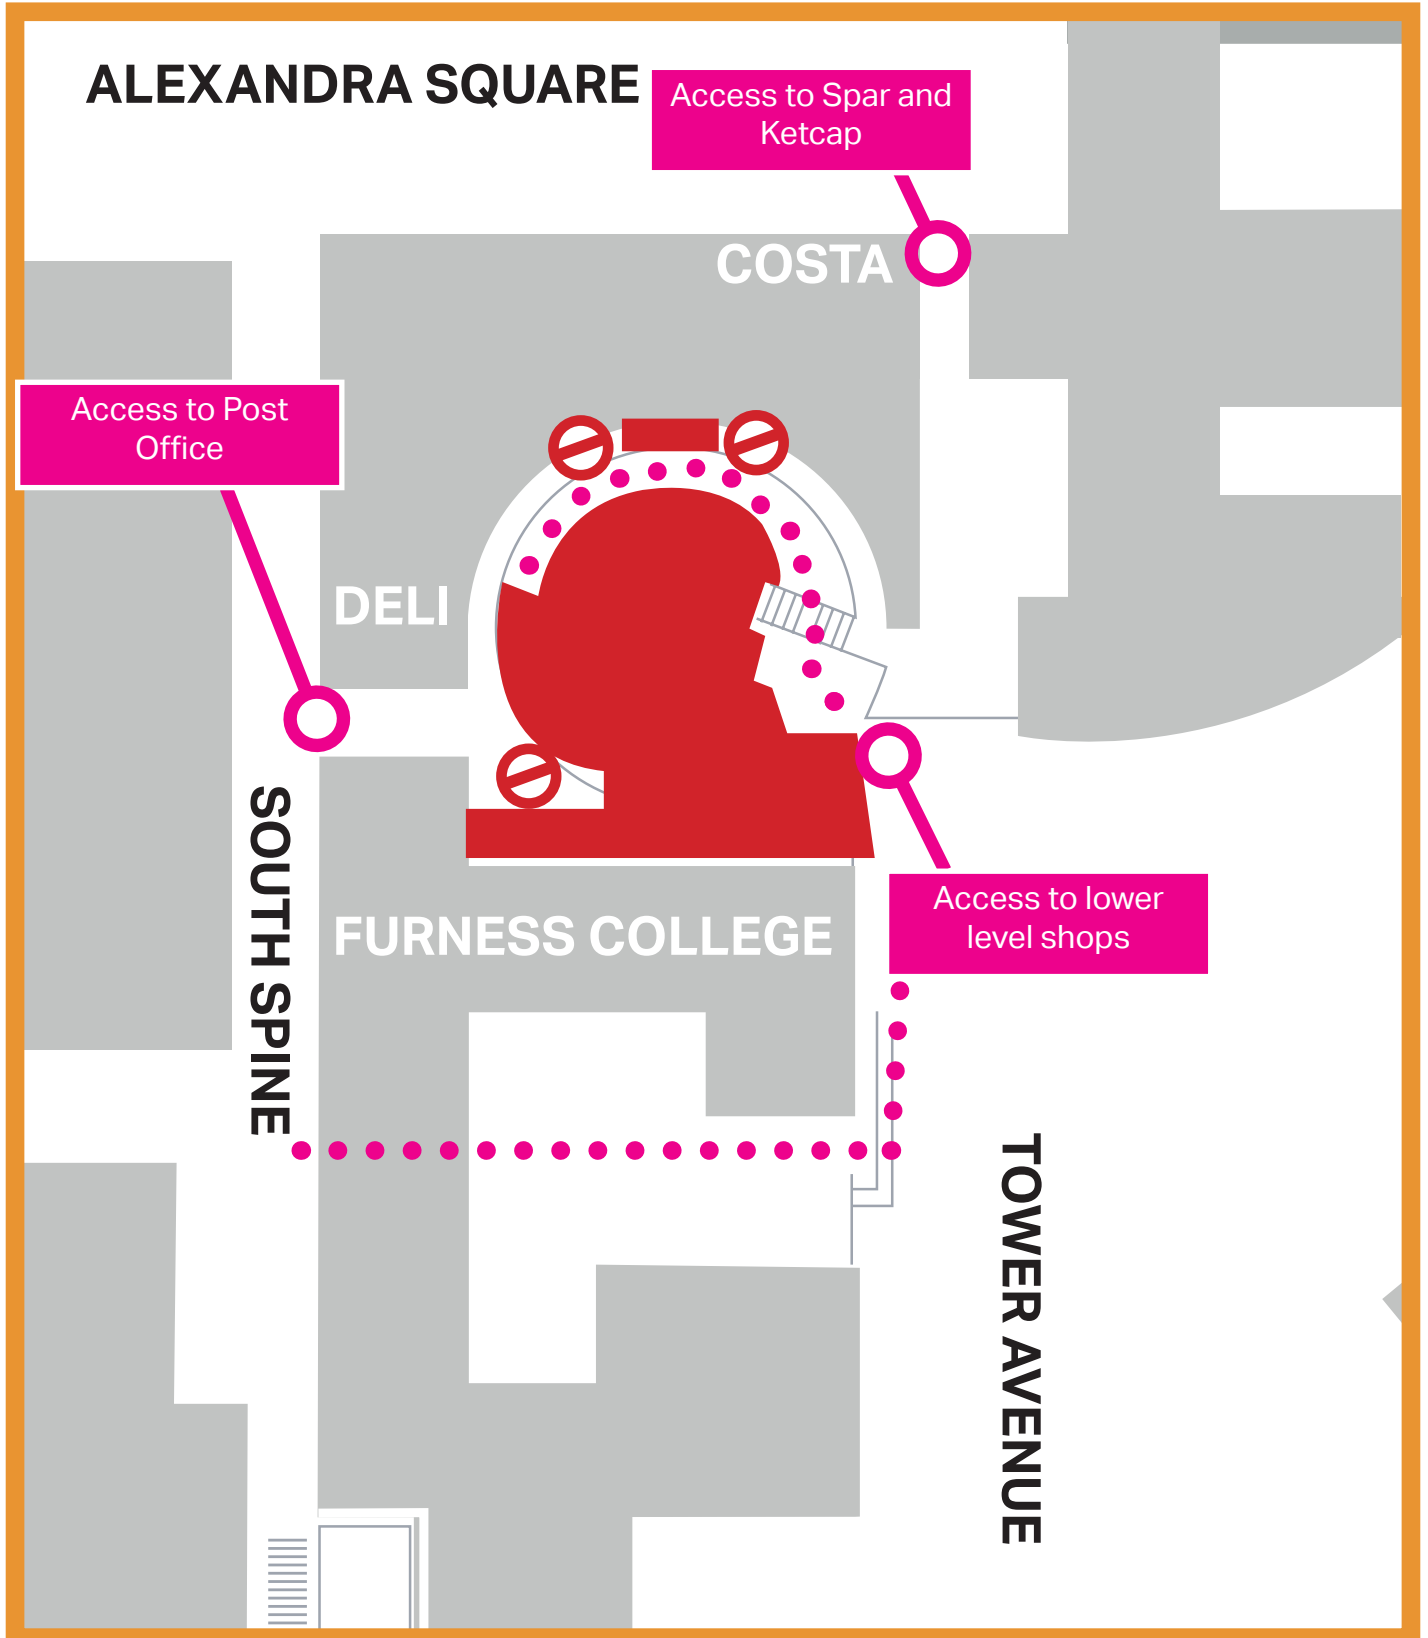

-  Contractors Site Area
-  No Access
-  Pedestrian Diversion

Phase 6

This phase of works is programmed between: 3rd August - 4th August

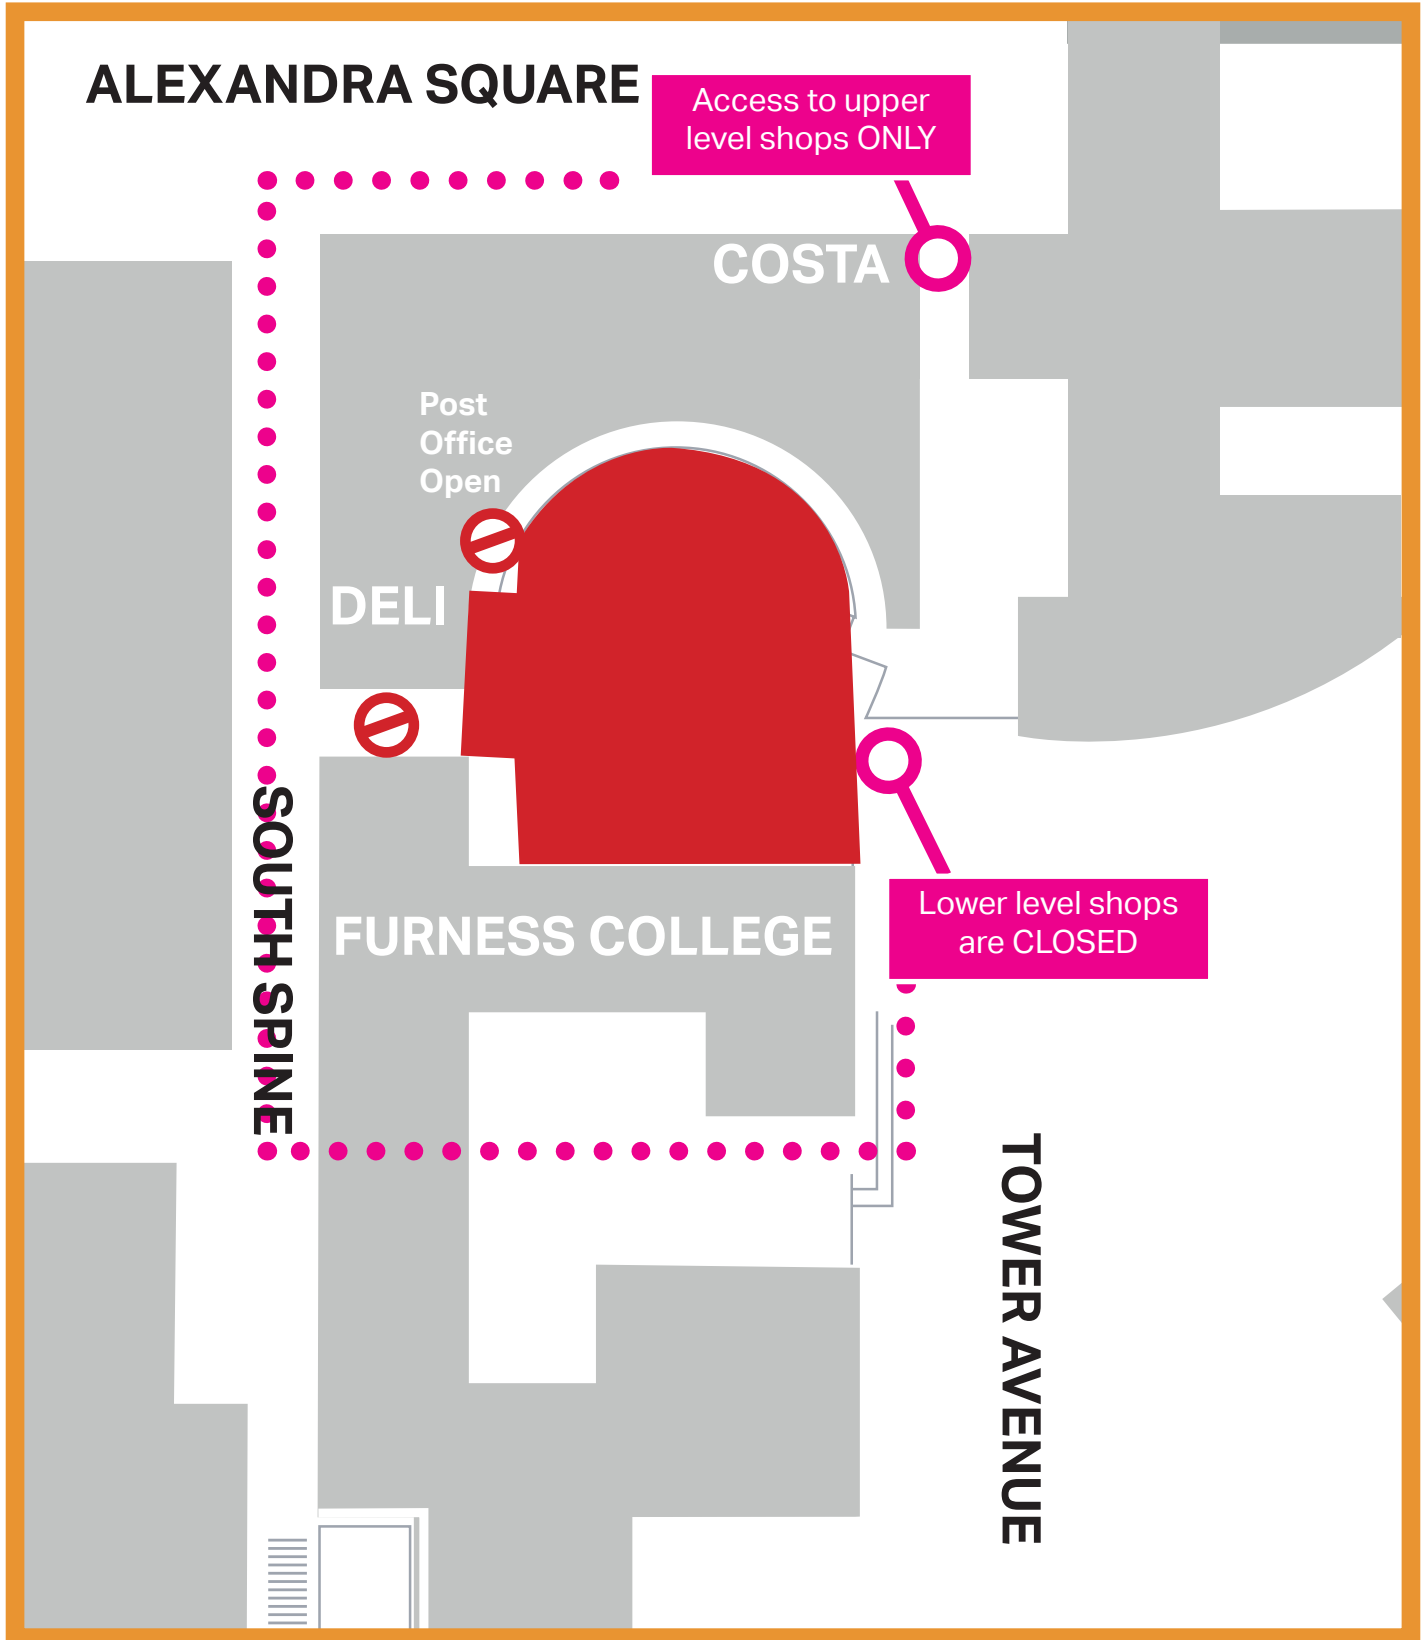

-  Contractors Site Area
-  No Access
-  Pedestrian Diversion

Phase 7

This phase of works is programmed between: 5th August - 6th August

-  Contractors Site Area
-  No Access
-  Pedestrian Diversion

Phase 8

This phase of works is programmed between: 7th - Mid-September

-  Contractors Site Area
-  No Access
-  Pedestrian Diversion
