Lancaster Medical School considers a variety of information to provide a full picture of applicants and their circumstances. Please answer the additional questions below. The admissions team will use information provided when making offers to applicants who are successful at interview.

For more information about how this information will be used, please visit our website.

This form gives you the opportunity to provide additional information regarding your personal circumstances. Please answer each of the sections as fully as possible. You should aim to complete this form and submit digital copies of the supporting evidence required before your interview to ugamedicine@lancaster.ac.uk.

By submitting this form, you are confirming that the information given is true, complete and accurate.

**Personal Information**

Please provide this information as it appears on your UCAS form.

What is your ethnicity?
Ethnic origin is not about nationality, place of birth or citizenship. It is about the group to which you perceive you belong. If you do not wish to provide this data, please select “Prefer not to say”. Ethnicity data is collected for monitoring purposes only and will not influence the outcome of your application or whether you are entitled to a contextual offer.

Please indicate which of the following criteria you believe applies to you. You may select more than one.

If you are invited to interview, you will be required to provide evidence for each selection made.

- I am living in a household in receipt of a government means tested benefit e.g. Universal Credit, Income Support, Job Seekers Allowance.
- I am in receipt of or eligible for the 16-19 bursary or the Education Maintenance Allowance (EMA).
- I am in receipt of or eligible for free school meals.
- I have been in local authority care for 3 months or more.
- I am a young carer.
- My parent(s) did not attend university or attain a higher education qualification, apart from as a mature student.
Confirmation of Accuracy

I confirm that all information shared in this survey is true and accurate.
