How to find us

Lancaster University is set in 560 acres of beautiful parkland and lies approximately three miles south of the City of Lancaster. The campus is easily accessible via road, rail and is within 70 miles of Manchester's International Airport.

By Car

Leave the M6 motorway at junction 33 and take the A6 north towards Lancaster.

After Galgate village, three junctions with traffic lights on the A6 serve the University: the second set of traffic lights (at the Sports Centre) serves the main campus and the third set serves the Health Innovation One car park.

If you are arriving by car, parking is available at:

- Car Park A, outside the Chaplaincy Centre – for those arriving for the 10:00am campus tour (for sat nav, use LA1 4YW).
- Car Park M at Health Innovation One – for those only participating in the Medicine and Surgery activities, and those who wish to drive down to Health Innovation One after the campus tours (for sat nav, use LA1 4AT).

An interactive campus map can be found using the QR code at the bottom of this sheet.

By Rail

There are direct rail links between Lancaster and many of the UK's major cities and airports. The nearest bus stop to the University is on Common Garden Street or from the bus station (see below). If you prefer taxis, these are available from outside the station at the northbound platform.

By Bus

Lancaster Bus Station is situated on Damside Street in the city centre and most bus services also stop at Common Garden Street. Service 1/1A provides a direct connection to the University around every 10 minutes. Services 100, 4, 4X, 40, 41 and 42 also serve the University. These buses serve both the main campus and also Health Innovation One.

Bus timetables are available to view on www.stagecoachbus.com.

By Air

From Manchester International Airport take the M56 motorway at junction 5 and join the M6 motorway at junction 20 (north). Follow the directions 'By Car'. An hourly direct rail link runs between the airport and Lancaster.
