

Academic Standards and Quality Committee

(a sub-committee of the Education Committee)

Terms of reference

- (i) To be responsible, on behalf of the Education Committee for ensuring that all taught and research programmes leading to Lancaster University awards, whether delivered in Lancaster or elsewhere, are of comparable academic standard and offer an equivalent, inclusive educational experience, through:
 - the development and implementation of institution-wide quality assurance policies and procedures for ensuring high standards of learning and teaching;
 - the regular review of quality assurance policies and procedures to ensure that they are properly implemented and remain fit for purpose;
 - promoting excellence and innovation, and the encouragement of quality enhancement practices in learning, teaching and assessment and to disseminate equitable, effective practice;
 - compliance with regulatory frameworks and requirements, and ongoing engagement with the higher education sector in quality assurance and enhancement activities;
 - ensuring that student progress and academic welfare are monitored effectively through agreed procedures and appropriate follow-up action taken.
- (ii) To provide advice, where necessary, to committees responsible for approving programme and module proposals (faculty and joint-faculty committees responsible for teaching, learning and assessment, and the Regional Teaching Partnerships Committee).
- (iii) To consider reports and data from:
 - faculty and joint-faculty committees responsible for teaching, learning and assessment;
 - Regional Teaching Partnerships Committee;
 - annual institutional summaries of external examiners reports;
 - module and programme feedback data aggregated at departmental and faculty level;
 - faculty and institutional summaries of Annual Programme Review (APR) and Strategic Teaching and Learning Review (STLR) reports and individual STLR reports;
 - institutional-level student survey results (including NSS, PTES, PRES) as embedded in annual programme reports, relating to the operation of quality assurance and enhancement processes, for all undergraduate and postgraduate provision, whether delivered in Lancaster or elsewhere, and to be responsible for identifying appropriate actions.

- (iv) To approve, on behalf of Senate and after appropriate consultation, the University's academic regulations governing all taught and research programmes leading to Lancaster University awards, whether delivered in Lancaster or elsewhere, and to ensure that the approved regulations are applied and observed.
- (v) To oversee the University's relationship with external bodies in the area of quality assurance and enhancement, including:
 - consideration of reports from external bodies;
 - consideration of relevant external policy developments;
 - making recommendations as appropriate.
- (vi) To commission time-limited project groups addressing learning, teaching and assessment issues to make recommendations as appropriate.
- (vii) To ensure that full consideration is given to the equality and diversity implications of the implementation of procedures and regulations relating to admissions, teaching, learning and assessment procedures.
