Introduction

Under the Lancaster University 'Discontinuation of Existing Provision' process, a request to permanently lay-down a programme can be endorsed by the relevant Faculty Associate Dean(s) and submitted directly for Institutional-level approval in the event that:

1. There are no students registered on the programme proposed for discontinuation, **and**
2. There are no applicants who have been made or accepted offers on the programme, **and**
3. There will be no impact from the discontinuation on other departments or faculties.

Provided that these conditions are met, there will be no requirement for a CD08a 'Discontinuation of Existing Programme Form' or for Departmental/Faculty gateway approvals.

Instead, this streamlined CD08c form should be completed instead and submitted to the Faculty Quality Assurance and Enhancement Manager (QAEM) who will work with the University Academic Dean to secure Institutional approval and inform all necessary teams/services.

The Faculty Leadership Group (FLG) or Faculty Policy and Resources Committee (PRC) (as the body responsible for the Faculty approval gateway) must be notified for information.
