

Statement for Submission with a Thesis Impacted by the COVID-19 Pandemic for PGR Students

The purpose of this form is to capture the impact of the pandemic on your research. We recommend you submit this form with your thesis to be sent to your examiners for consideration.

Student Name		ID No.	
Department		Faculty	
Research type eg Laboratory, field, desk		FT/PT	

1. Stage of study when pandemic began (March 2020) e.g. were you planning your project, in the middle of data collection, writing up

2. In what way did the pandemic affect your work? This might be both **personal** including additional caring responsibilities or your own health and wellbeing, or **practical** that you were unable to continue data collection, unable to access labs or office for essential reasons etc

3. How did you try to address the impact of the pandemic on your thesis? You may have had to access alternative data, change aims and objectives, collected less data etc

4. Are there any other comments you would like to make?
