Open Day Programme 2024
Saturday 29th June | Saturday 13th July | 9am-4pm
On behalf of our students and staff, welcome to Lancaster University.

Lancaster is a global university with an international reputation for combining world-leading research with a personal educational experience. We rank top 15 in the three UK league tables and hold prominent positions in global university league tables. We take pride in our reputation and our students do too, our excellent 2023 NSS results are testament to our high standards of teaching, learning and support.

Studying here provides an opportunity to be a part of a thriving community made up of students from over one hundred countries. Students who choose Lancaster have the opportunity to expand their horizons at an internationally diverse campus set in a beautiful part of the Northwest.

We offer over 380 flexible undergraduate programmes across a wide range of subject areas, and have partnerships linking us with leading institutions in 24 countries. Based around our nine colleges, our campus boasts outstanding facilities and has everything that you need to study, live and thrive. We also maintain excellent relations with businesses to enhance your career progression and help you get to where you want to be.

Our Open Days give you a comprehensive insight into life here, and I encourage you to take advantage of the full range of activities on offer throughout the day. This will help you to make those important decisions about the right course for you in the right university, which we hope will be Lancaster.

Please take the opportunity to speak with the fantastic student services teams who support every aspect of student life here, and you can find out about the subjects that interest you by speaking to academic staff.

Finally, please take the time to explore our unique campus and facilities, soak up the atmosphere and sample the Lancaster experience.

We can’t wait to welcome you to our community.

Professor Andy Schofield
Vice-Chancellor
Make the most of your Open Day

There's a lot to see at a Lancaster University Open Day, we recommend taking some time to plan your day before you arrive. We've included a handy scheduling planner on page 29 to make this easier for you.

Our beautiful campus is waiting to be explored, and you'll start to see if you can picture yourself here. Staff and students are on hand to answer any questions you may have. We asked Accounting & Finance student Naomi for her top 3 tips on making the most of your day.

1. Picture yourself at Lancaster

There's a lot to take in at an Open Day, and we hope you'll be buzzing with excitement as you get to know us. So you don't miss anything, why not take some pictures on your phone to re-visit when you get home? This is great for when you're making your final decision, and a helpful way to compare different universities. You never know, you might be capturing your favourite campus spot before you even arrive!

2. Chat to us

An Open Day is a perfect opportunity to ask all the questions you have about Lancaster. Talk to academic staff about your chosen subject, check in with the admissions team about the application process, chat with the careers team about your future. Whatever you're curious about there's plenty of people on campus to talk to. Most importantly, be sure to chat with our current students. There are ambassadors dotted all over campus, ask about their experiences of Lancaster and find out what it's really like to live and study here.

3. Collect as much information as possible

You're in the process of making what might be one of the biggest decisions you've ever made. Gathering all the information you can will help you make the best decision for you. Along with taking photos as you explore, you might want to bring a notebook to write down important information. Be sure to pick up a prospectus and any information leaflets as you can look at these later, if you're attending with friends or family, you could agree to each gather different information to share together.

On arrival visit our Check-in and Information Points

You can visit any of our check-in and information points to check-in when you arrive. You'll need your QR code from your booking email to be able to check-in. Once checked-in, you'll receive your Open Day pack. You can also find out more about the day and ask any questions you may have.

You'll find our check-in and information points in a few places around campus –

- Learning Zone (Alexandra Square)
- Great Hall (Map ref GHC)
- FASS Building (Map ref FAS)
- Management School (Map ref MAN)
- Health Innovation One (Map ref HIO)

Our student ambassadors are located all over campus to help you with whatever you need. Whether you're looking for directions or just fancy a chat, our ambassadors will help you make the most out of your day.

Refreshments

You're going to have a busy day, so it's important to plan in some breaks throughout to refuel. Luckily, campus has plenty of places to choose from. Check out Alexandra Square and Edward Roberts Court for some of our most popular spots, or explore the North and South Spine for even more options.

You can also find complimentary refreshments around campus; grab a tea, coffee, morning pastries and some street food samples on us.

Find complimentary refreshments at –

- Learning Zone (Alexandra Square)
- LICA Building (Map ref LIC)
- Management School (Map ref MAN)
- FASS Building (Map ref FAS)
- Health Innovation One (Map ref HIO)
- George Fox Building (Map ref GFX)
- Library (Map ref LIB)
- Open colleges, which can be found on page 19

We do our best to encourage sustainable practices at Lancaster. Water fountains and refill points are available across campus. Feel free to ask an ambassador for directions.
General talks

Our general talks will take you through everything that Lancaster University has to offer. There is no need to book, just turn up at your chosen time.

Welcome to Lancaster

Join us as we welcome you to campus and give you some context about our university to kick off your Open Day.

Careers and Employability

Get to know what life-long careers support could mean for you and learn what some of our students have gone on to do after they graduate.
You can find out more about student jobs, internships, placements, graduate schemes, further study and enterprise.

Students' Union

Whether it's clubs, sports and societies, volunteering and development opportunities or representing and supporting your university experience, the Students' Union has a lot to offer you. Join this talk to hear about how the Students' Union will support every step of your university journey.

Student Finance

This talk will cover scholarships, bursaries, loans, budgeting and everything related to funding your studies.

Applying to Lancaster

Get an overview of the admissions process at Lancaster and get application tips and advice from our admissions experts. (For those who are interested in applying to Medicine, information regarding the application process will be explained in the subject talk).

Global Experiences

Find out what it means to be part of a global university. Hear about our international partners, study abroad options, global research success and how we celebrate and champion global experiences right here on campus.

Accommodation and Colleges

Hear about our college communities waiting to welcome and support your university journey and get an overview of the accommodation on offer at Lancaster.

Campus tours

Our campus tours are an ideal opportunity to explore campus. You'll be shown some of the key locations to really give you a feel for our beautiful campus.

Student-led tours

A current Lancaster student will show you around campus. You'll visit key locations like the library, departmental buildings, social spaces, eateries and essential facilities and get the opportunity to hear how your guide experiences campus as a current student.
There is an increased demand for student-led tours during the morning so you may find the afternoon quieter or consider the self-guided option.
Depart from outside University House Reception (Map ref UNH) from 9.00am.
Tours will run throughout the day and last approximately 45 minutes.

Self-guided tours

Self-guided tours are a great option to get to know the campus in a way that suits you. You'll be guided to key locations like the library, departmental buildings, social spaces, eateries, and essential facilities, but we encourage you to wander and explore as much as you like.
You can take a self-guided tour at any time over the weekend.
Tours last approximately 45 minutes but how long you take is up to you.
To take a self-guided tour click the QR code below.

Support when you need

At Lancaster you’ll find that there are lots of people rooting for you. We’re on hand all day to talk you through the many ways you can access support. Find support teams in the Learning Zone in Alexandra Square.

Admissions

Our admissions experts will be on hand to advise on the application process, entrance requirements, deadlines and information on how we assess applications.

You can find out more in our Applying to Lancaster presentation at 10.00am, 12.00pm and 3.00pm in County South Lecture Theatre (Map ref COS).

Careers and Employability

Our Careers and Employability Service staff can talk to you about placements, internships and part-time jobs, and how we can help you find the right graduate opportunity after your studies. You can also learn about how you can meet employers, access individual careers support, and find out about the many different opportunities delivered by the service that give you the chance to develop new skills, grow a professional network, and enhance your CV.

Come along, be inspired and find out more in our Careers and Employability presentation at 11.00am in Faraday Lecture Theatre (Map ref FAR).

Funding

The funding team are available to help you understand bursaries, loans and scholarships. We can help you figure out what funding you might be entitled to and how to access it.

You can find out more in our Student Finance presentation at 11.00am and 2.00pm in County South Lecture Theatre (Map ref COS).

Languages for All

At Lancaster we have several years of experience in teaching students who are learning a language for the first time, or pursuing a language interest as part of a degree. We also offer a number of language courses outside of our degree scheme as an extracurricular.

Find out more by visiting our information desk in the Learning Zone.

Student Wellbeing Services

The Wellbeing Service works alongside staff across the University to ensure that all students can fully participate in all aspects of university life. We will be there to speak to students about any support needs, from wellbeing concerns to more specialist disability and mental health needs. The aim of support services is to work alongside you to understand your needs and to give you the information you need to decide how you want to manage your mental or physical health whilst at university. The provision includes the Wellbeing Partnership Service, Student Mental Health Service and the Disability and Inclusive Practice Service which can also support with reasonable adjustments, Disabled Students’ Allowance and inclusive teaching. You will also be able to learn more about our pre-arrival programme, which supports students to transition into university. It ranges from online information which all students can access to targeted events for groups who may need additional support for their transition into university.

Global Experiences

We’re proud to be a global university, with over 100 nationalities on our campus, alumni in over 180 countries worldwide and 144 global partner institutions. Studying at Lancaster University can open a world of opportunity.

Come and chat to us to find out how to create your own global experience.

You can find out more in our Global Experiences talk at 12.00pm and 3.00pm in Management School Lecture Theatre 17 (Map ref MAN).

IT and Digital

Come to the Learning Zone and chat with us about IT services and support at Lancaster.

Maybe you have a question about bringing your own devices, getting access to the software you need, using computers and printers on campus or accessing IT services when you’re not on campus?

Discover your subject

Get to grips with your subject of interest by visiting the subject stands across campus. Here you can speak to academic staff, gather information on what you’ll learn about and how you’ll learn on your course.

Dive even deeper into your subject of interest by attending subject talks, taster lectures, demonstrations, and tours of some of our academic spaces and department facilities.

Staff and students will take you through all the specifics about your chosen subject.

Most of these subject-related activities run throughout the day. If you’re undecided we recommend visiting sessions for each subject you’re interested in. You can attend as many of these as you like.

All subject talks run for approximately 40 minutes and most are repeated through the day.

If you’re able to, we recommend taking the footpaths around campus to get to Health Innovation One. It’s a 15 minute stroll from the centre of campus and you’ll get to see our sports pitches and woodland trail along the way. There’s also a free shuttle bus to take you door to door, if that suits you better, from outside the Chaplaincy Centre (Map ref CPC).
Your college and accommodation

Our colleges are central to the Lancaster experience. They offer a community you can be part of from day one, and the affiliation stays with you long after you graduate.

Lancaster University is proud to be one of a handful of UK universities to have a collegiate system. We have eight undergraduate colleges and every student belongs to a college whether you live on campus or not.

Most undergraduate students will live on campus in college accommodation in their first year, but it’s much more than just a place to stay. You’ll quickly find that your college is with you in most aspects of your student experience.

You’ll study and socialise, and there are lots of college events and activities to get involved with. There is also the opportunity to experience some friendly competition with inter-college tournaments. It’s your first port of call for support and help and when you graduate you’ll do it with your college by your side. You’ll always belong to your college, even after you leave Lancaster.

No matter which college you choose you’ll experience the same level of support and community. All colleges have their own social space with a different personality but you can access them all no matter which college you pick.

From the moment you arrive, your college focus is on providing an environment where you can settle in and feel supported. Each college has a Junior Common Room (JCR) Committee who are the student voice and work alongside college staff to ensure you have the best college experience.

Choosing your college usually comes down to the type of place you want to live and the facilities that you need.

Different colleges offer different room types like townhouses, studios, bedrooms with shared bathroom, bedrooms with private bathroom—whatever suits you.

When you join us for an Open Day, visit our colleges where you can look around the available accommodation types at any time.

Your student experience

University is a place for you to learn, have new experiences, meet new people and make memories. Around campus you can discover the extra bits that make the Lancaster student experience so special.

Your Students’ Union

Every student at Lancaster University is automatically a member of the Lancaster University Students’ Union, and they’re here to make sure your university experience delivers everything it should.

The Students’ Union provides everything from a buzzing student nightclub to a range of quality services including our letting agency and the on-campus supermarket.

The Students’ Union will play a huge part in many aspects of your student life. Joining clubs, sports and societies is a great way to try new things, develop your skills, meet new people and fill your social calendar up as much as you like.

With over 175 clubs and societies, we’re sure you’ll find your people at Lancaster. Beyond socialising, your Students’ Union is here to represent and support you. The Union provides advice, guidance and advocacy on just about all student matters. They’ll support your personal development too with opportunities to volunteer and get involved with how your Union is run.

You can find out more about the Students’ Union by visiting us in the Students’ Union Village in Great Hall Square or attending a talk at 1.00pm in County South Lecture Theatre (Map ref COS).

You can also find out more on student life at Lancaster by attending our Student Q&A Panel in Cavendish Colloquium Room (Map ref FAR) at 11.00am and 2.00pm.

Staying active

Whether you’re serious about sport or not, there are plenty of opportunities to stay active at Lancaster. You might find yourself training for the Roses tournament, or simply enjoying an afternoon wander through the woods, it’s up to you. Our sports facilities are available to all.

Our recently expanded Sport Centre has something for everyone. It features the latest in sporting facilities, including a swimming pool, climbing wall and health and fitness suites. You’ll be able to access courts, games areas, full size sports fields and pitches to suit a range of activities. Our perimeter boasts a woodland walk and trim trail too for those who like to stay active in nature.

Drop into the Sports Centre (Map ref SPC) to take a look around the fantastic facilities.

Our woodland walk takes you all around campus and even joins pedestrian routes into Lancaster city. It’s well worth exploring and offers a space for calm if you’re looking for time to reflect on a busy Open Day.

Your library

At the heart of our campus you will find our library. Open 24/7 in term time, it offers a variety of technology-enabled work spaces for individual study through to larger spaces designed for teamwork. There are plenty of study spaces across campus but for many, the library is a firm favourite. Visit to find out why and chat to library staff about what other services the library can offer you. Guided tours from the library are available on demand, just visit the information desk (Map ref LIB).

You’re free to explore the library without a guide, any time.

Green Lancaster

If you want to get involved at a grassroots level with environmental projects at Lancaster, look no further than Green Lancaster. Green Lancaster, a fully incorporated programme of the Students’ Union, run various projects for students to join in with – from planting trees on campus, to upcycling household goods, to wellbeing walks in nature and sustainability and leadership development.

Come and chat to us to find out more. You’ll find us in the Students’ Union Village in Great Hall Square.
Positive change for people and the planet

Sustainability is at the heart of everything we do here and there are plenty of opportunities to get involved and make a difference. From joining one of our environmental student societies, to studying the impacts of climate change as part of your course, to learning green skills to help you become a future leader.

In 2020, we declared a Climate Emergency and we have taken many initiatives to reduce our environmental impact. Our wind turbine and future solar farm directly power our campus and operations, our cafés have increased the range of plant-based food options and we have increased our nature and green spaces by planting over 14,000 new bulbs and plants this year.

Fact
We're a Gold-rated Hedgehog Friendly Campus

Tip
Refill your own water bottle at our cafés or water fountains for free

Our green campus

Our beautiful 560-acre campus is situated in green parkland, with over 35,000 trees and plenty of green spaces to socialise with friends. Many students like to enjoy our woodland walk – a 2.6 mile trail that follows the woodland surrounding the campus. The perfect place to unwind, breathe and relax in nature.

Fact
We have approx. 35,000 trees across campus – so much nature to enjoy

ReStore Lancaster

Shopping that is better for your budget – and the planet. ReStore Lancaster is a shop in the heart of campus that offers preloved clothing alongside affordable and eco-friendly products. A collaboration between the University and a local charity, St John’s Hospice, the clothing sales helps to raise money for their vital work in the community. The shop also provides an eco-friendly beauty refill station and hosts events and volunteering opportunities for students.

Hire a bike

Our bike hire scheme offers students the convenience of cycling without the expense of owning your own bike, or the hassle of cycle maintenance. All our bikes are professionally maintained at the end of each term, so you can cycle with confidence knowing that your bike has been well taken care of – and you are free to enjoy the cycle paths around campus, with easy access to Lancaster city centre.
Support for your career

Your time at Lancaster University is not only about your studies, but also a chance to help prepare yourself for the future through personal and professional development, gaining work experience, and proactive career management.

At Lancaster, we are dedicated to providing you with the best opportunities to begin your career. We know that it can be daunting to start thinking about your future, so our team of experienced careers professionals will be on-hand to give you the support you need throughout your student life.

Our Careers and Employability Service staff are available for appointments regarding placements, internships and part time jobs, as well as how we can help you find the right graduate opportunity after your studies. You can also learn about how you can meet employers, access individual careers support, and find out about the many different opportunities delivered by the service that give you the chance to develop new skills, grow a professional network, and enhance your CV.

If you would like to find out more information about the Careers and Employability Service at Lancaster University, you can come along and be inspired by our Careers and Employability presentation at 11.00am in Faraday Lecture Theatre (Map ref FAR).

Live Music at Lancaster

Lancaster has an incredible music history, for 15 years, from 1970 until 1985, Lancaster University was one of the great centres for live rock music.

Bob Marley, The Who, Pink Floyd, Paul McCartney, Black Sabbath, U2, Dire Straits, Van Morrison, Eric Clapton, Tina Turner, Queen, T. Rex, Blondie, Ramones, The Pretenders, and AC DC are just some of the acts who appeared on stage in the Great Hall. Over 500 bands played in the Great Hall during this period, earning Lancaster a permanent place in rock history.

If music and performing is of interest to you there are several opportunities available as a student at Lancaster. Cartmel College has its own soundproofed music room which students can book the space out for solo or group practice. There is a selection of instruments to borrow, including guitars, keyboard, and electronic drum kit. Pendle College has a music room with a piano.

The colleges and Student’s Union have lots of opportunities for student artists and bands to perform. Lancaster also has its very own Music Festival in October where students can audition to perform along with open mic nights and other music events in venues across the city.

You can sample some live music throughout the Open Day in Alexandra Square or in the open colleges.

Lancaster Arts

Lancaster Arts (LA) is Lancaster University’s professional contemporary arts organisation, offering opportunities to engage with vibrant, inspiring and challenging art and artists right here in Lancaster.

Our work happens in the University’s dedicated arts venues, the Nuffield Theatre, the Great Hall and the Peter Scott Gallery, but also out and about across the University campus and in the city and wider region.

We have a long-established artistic reputation for the creation, development and presentation of cutting edge contemporary arts and are proud to be part of Arts Council England’s portfolio as a combined arts organisation.

For students, we offer more than the chance to see and participate in thought-provoking art. Our student volunteering programme provides behind-the-scenes insights, the chance to build skills and experience and to connect with others within and beyond the University.
Your neighbourhood

The city of Lancaster is a wonderful campus neighbour. About three miles north of the University, it boasts fascinating heritage and stunning architecture giving student life an impressive setting.

Further afield, we’re lucky to have the stunning North West coastline, Trough of Bowland and the Lake District right on our doorstep.

You’ll find names you recognise on our high street like Nando’s, Primark, JD Sports, Zizzi’s, Boots and more. And, there’s plenty of pubs, bars and entertainment to suit every vibe. But, it’s Lancaster’s hidden gems, independents and DIY approach to culture that make our city special.

Take advantage of the free shuttle service to the train station running to and from campus throughout the day, taking you straight to the city centre. Catch the shuttle bus from outside the Chaplaincy Centre (Map ref CPC).

The shuttle service will run until 4.30pm.

Student-led City Tour

To find out more about our beautiful city join us for a student-led tour where you will be shown key locations in the heart of the city to give you a flavour of Lancaster.

Continue the conversation

We hope you get the chance to ask plenty of questions during the Open Day, but just because the day is over, it doesn’t mean that the conversation has to end.

Join our students at one of our “Student Life at Lancaster” Unibuddy events, where you can hear their stories, chat to them about their experiences and ask any questions you might have.

The events are taking place on the 4th July and 18th July, 5.00pm - 6.30pm.

For further details, dates and booking, simply follow the QR code below.

Important information

The information in this publication relates primarily to 2025-2026 entry to the University and every effort has been taken to ensure the information is correct at the time of printing (June 2024). The University will use all reasonable effort to deliver the courses as described but the University reserves the right to make changes after going to print. In exceptional circumstances that are beyond the University’s reasonable control (Force Majeure Events), we may need to amend the programmes and provision advertised. However, in this event, the University will take reasonable steps to minimise the disruption to your studies.
