CAR PARKING POLICY DOCUMENTATION

Student Car Parking Policy
2019/20
Effective 1ST October 2019
**Student Car Parking Policy for 2019/20**

Lancaster University has excellent bus services to the city centre (15 per hour during term time weekdays) and very good cycle routes. Most students find they do not need a car. For transport information see the Commuting to Campus webpages on the University’s website.

Access to parking is regulated to limited student categories to ensure that those students who really do need a car are eligible for a car parking permit.

Students without a permit should not park on any public roads surrounding the University campus in the interests of road safety and local residents.

Please also note that overseas students who arrive on campus with a car registered in their home country will need to take note of the advice on the Student Parking webpage on the University website.

Please also refer to the Car Parking Policy (Principal Document) for additional policy information including policy on parking at Chancellors Wharf. This document is available on Policy and Enforcement webpage on the University website.

**IMPORTANT:**
Parking enforcement in the South West Campus Parking Zone on Alexandra Park for 2019/20 for the failure to clearly display a valid permit or pay and display ticket will commence on Monday 14th October 2019 (Week 2).

Important - please note:
- Permits are for the South West Campus Parking Zone on Alexandra Park only and cost £140 for the full year.
- The South West Campus Parking Zone does NOT include the car parks of the Lancaster House Hotel which are privately managed and enforced.
- Any supporting letters will need to provide proof that the stated criteria are satisfied.
- The copying of permits is strictly prohibited and will result in the person being banned from parking on campus.
- Only eligible students will be able to obtain car parking permits.
- Each applicant is responsible for ensuring that their evidence arrives at the Parking Office.
- Places of employment within the urban core area can normally ‘reasonably be reached by public transport’, unless work starts before 08:30 (09:45 on Sundays) or finishes after 23:30.

**Cost:**
- Annual Student Permit (South West Campus Parking Zone on Alexandra Park): £140
- Annual Chancellors Wharf Permit (not valid on campus): £140
- Termly Student Permits (South West Campus Parking Zone on Alexandra Park or Chancellors Wharf): £54 per term

**Student Staff:**
Students not resident on campus who are employees of the University or a tenant based on campus working for more than 8 hours per week every week during term-time (between 08:00 -18:00 Monday – Friday) may apply for parking permit. This will be an Alexandra Park Permit valid only in the South West Campus Parking Zone on Alexandra Park for the duration of the employment.
Evidence will be required. The employment must be likely to continue for at least two terms. Parking must be in connection with the employment.

This does not apply to student staff on substantive employment contracts with the University. In such cases, the Student Parking Policy does not apply.

**Students that live on main campus with children aged 5 years or under:**

Such students are eligible to upgrade their Staff Parking Permit to be able to park in the Visitor Parking Zone as well. Please visit the Parking Office in Security to arrange.

**Summer Vacation:**

Restrictions on permit eligibility for students do not apply in Summer Vacation periods. In these instances students can purchase a Summer Vacation Permit for the SW Campus Parking Zone on Alexandra Park, priced at £54. Note that parking enforcement continues through all vacation periods, including summer.

**Scratchcards:**

Students are not permitted to buy or use one-day parking scratchcards.

**Categories of students eligible for parking permits:**

Campus residents who would regularly, with the use of a vehicle, transport other members of their University club or society to enable them to participate in the group’s key activity where that activity by its very nature cannot be performed on campus, e.g. canoeing, mountaineering, sailing, kiting, etc. | Please complete an application form available from the Students’ Union Activities Office in Bowland Main. | South West Campus Parking Zone (Alexandra Park) only. £140 p.a. |

* Category 1: Varying permit lengths for this type of permit apply to reflect the sometimes temporary nature of the mobility impediment or sick dependent relative. This temporary approach to permit eligibility provides a fairer and more appropriate way to manage the need, based on temporary mobility or sickness issues. This is addressed through the issuing of termly permits.
