BE A SWEET SUCCESS

Careers
Lancaster University
Welcome to our flagship annual Careers Fair, where local, national and international companies come to Lancaster to meet you... their future talent from a top 10 University!

Our Careers Fair offers something for all years and all areas of study. Find out information about graduate roles, work experience placements, internships, and postgraduate study. Don't miss out on this fantastic opportunity to talk to employers face-to-face and start discovering your future career.

Don't forget, there will be careers professionals on hand to assist you to ensure you are a #SweetSuccess.

Want to win a £100 Amazon voucher?

WHY SHOULD YOU ATTEND?

First Year
• It’s never too early to start thinking about your future career and getting ahead of the game.
• Find out about year-long placements and summer internships, ready for early applications next year.
• Employers are always talent-spotting for the future, so make a great impression and they may remember you when you apply!

Second Year
• Check out the placements and internships on offer. These often lead to graduate job offers, saving you a lot of time and stress in your final year!
• Find out about different careers that interest you, and ask lots of questions.
• Get ‘hints and tips’ on the application process.

Final Year & Postgrad
• Find your perfect graduate role early in the year, as applications for the most popular roles close early.
• Target those employers you would most like to work for and ask for ‘hints and tips’ on the application stages.
• Do your research and make a great impression; many employers are talent-spotting and may remember you when you make your application.

Enjoy the day and remember there are many benefits to attending a Careers Fair, including:
• Increased confidence through speaking to industry professionals.
• A deeper understanding of industry which will help with job applications and interviews.
• An increased number of contacts and connections.
• A better awareness of your preferred future careers.

Don’t miss our ‘Prepare for the Fair’ workshop on 23rd October 4pm
Book on: lancaster.targetconnect.net

TOP TIPS

To get the most out of your day
• Read about the employers who are attending in advance. Check out the ‘What we Love’ section in Exhibitor Information; it can be a great conversation starter.
• Plan questions to ask, for example “Have you any tips on making a good application?” or “Can you tell me about your day-to-day activities?”
• Make sure you are keen and interested – first impressions count!
• Use this booklet to make notes of who you spoke to and a summary of your conversation.

*These companies have a Tier 2 Sponsor license and may be able to issue a Certificate of Sponsorship for skilled workers at Graduate level. Please note however that UK Visas and Immigration requires these employers to demonstrate that no resident workers meet the requirements of most graduate roles before an applicant may be sponsored. Read about UK visas and immigration on gov.uk. Some graduate schemes operate in countries outside of the UK, so it may be worth checking to see if there is an opportunity in your country.

As an Associate Consultant, you would work closely mainly with our European clients of different size, from small Biotech companies to large Enterprises, while being hands-on with the product - either Veeva CRM or Veeva Vault.

You would either be involved in initial implementation projects or work on strategic post-implementation services. Initially, you would be responsible for configuration and testing, with opportunities to travel and meet our clients onsite as an essential member of the team.

What we ❤️:
- Dynamic team of young professionals
- Regular travels, weekly team lunches and other networking events.
The Grow Your Future programme offers exclusive access to opportunities to support the development of key employability skills, professional networks and confidence to compete effectively in the graduate labour market.
Thank you to our competition sponsors
