YOUR GLOBAL EXPERIENCE

EXPLORE BOSTON AND NEW YORK, 23 March - 3 April 2020

When will the trip take place?
During the first and second weeks of the Easter vacation, departing from London on 23 March and returning to the UK on 3 April.

Do I need a visa?
Most UK passport holders don’t need a visa to enter the United States but will be required to fill in a form on the US Electronic System for Travel Authorisation (ESTA) esta.cbp.dhs.gov/esta. It’s your responsibility to obtain the correct travel documents for the trip, but do ask the Global Experiences team for help with the process.

How much does the programme cost?
The overall trip fee payable to Global Experiences is £1,957. This includes a programme fee of £1,550 and flight costs of £407. The programme fee includes accommodation, university travel insurance and scheduled activities. It doesn’t include meals, transportation to/from the UK airport, visa or ESTA costs (as required), personal items, spending money, or optional activities.

Can I get financial assistance?
In 2019, 65% students who travelled on the USA trip received some form of financial assistance. We believe that no one should be excluded on the basis of cost alone, so we have a number of awards and grants that could cover the majority of your trip fee.

Lancaster Global Travel Award
This award is available to students in receipt of a means-tested bursary from Lancaster University and will cover 60-75% trip fee, depending on individual circumstances. This assistance can be applied for as part of the online application for the trip.

The trip begins in Boston, Massachusetts, one of America’s oldest cities. You’ll visit the New England town that is the birthplace of transcendentalism, Louisa May Alcott and Nathaniel Hawthorne.

New York City is our second stop, where your highlights include visits to the UN Headquarters, the 9/11 Memorial Museum, Central Park, Times Square and the Statue of Liberty.

During your time in two of the world’s great cities, you will experience the vibrant cultural life on offer in the United States and make connections between its urban spaces and some of the literary texts they inspire and are inspired by.

JOIN FELLOW STUDENTS AND ACADEMICS FROM YOUR FACULTY TO LEARN MORE ABOUT THE UNITED STATES WHILE INCREASING YOUR GLOBAL AND CULTURAL AWARENESS.

This is an opportunity to increase your global awareness by travelling overseas with fellow students and academics from the department of English and Creative Writing.

‘A unique and immensely enjoyable experience that’s given me many priceless memories.’
