YOUR GLOBAL EXPERIENCE

EXPLORE BOSTON AND NEW YORK, 23 March - 3 April 2020

WHEN WILL THE TRIP TAKE PLACE?
During the first and second weeks of the Easter vacation, departing from London on 23 March and returning to the UK on 3 April.

DO I NEED A VISA?
Most UK passport holders don't need a visa to enter the United States but will be required to fill in a form on the US Electronic System for Travel Authorisation (ESTA) esta.cbp.dhs.gov/esta. It's your responsibility to obtain the correct travel documents for the trip, but do ask the Global Experiences team for help with the process.

HOW MUCH DOES THE PROGRAMME COST?
The overall trip fee payable to Global Experiences is £1,957. This includes a programme fee of £1,550 and flight costs of £407. The programme fee includes accommodation, university travel insurance and scheduled activities. It doesn't include meals, transportation to/from the UK airport, visa or ESTA costs (as required), personal items, spending money, or optional activities.

CAN I GET FINANCIAL ASSISTANCE?
In 2019, 65% students who travelled on the USA trip received some form of financial assistance. We believe that no one should be excluded on the basis of cost alone, so we have a number of awards and grants that could cover the majority of your trip fee.

LANCASTER GLOBAL TRAVEL AWARD
This award is available to students in receipt of a means-tested bursary from Lancaster University and will cover 60-75% trip fee, depending on individual circumstances. This assistance can be applied for as part of the online application for the trip.

TEN DAYS, TWO CITIES, AND A WEALTH OF ACADEMIC AND SOCIAL LEARNING. ARE YOU READY TO EXPLORE?

The trip begins in Boston, Massachusetts, one of America’s oldest cities and the birthplace of the American Revolution.
You’ll visit the JFK Presidential Library, the Freedom Trail and enjoy an acclaimed Boston Duck tour.
New York City is our second stop, where your highlights include visits to the UN Headquarters, the 9/11 Memorial Museum, Central Park and Times Square.

JOIN FELLOW STUDENTS AND ACADEMICS FROM YOUR FACULTY TO LEARN MORE ABOUT THE UNITED STATES WHILE INCREASING YOUR GLOBAL AND CULTURAL AWARENESS.

Your Global Exploration is an exciting opportunity to discover some of the ways in which Linguistics and English Language relate to the nation that is not only the biggest English-speaking country but also one of the most ethnically and linguistically diverse places globally.

This huge diversity will be the theme of your visit to the Endangered Language Alliance in New York, where you will meet one of the Alliance’s experts on language documentation and preservation. US academics produce some of the most important language studies research in the world and you will get a taster of that during a lecture by a leading NYU expert on stylometry and forensic linguistics.

‘An amazing way to meet new people and expand your horizons.’
