YOUR GLOBAL EXPERIENCE

EXPLORE BOSTON AND NEW YORK, 23 March - 2 April 2020

The trip begins in Boston, Massachusetts, the birthplace of the American Revolution. You’ll visit exciting companies, tourist sites such as the Freedom Trail and enjoy an acclaimed Boston Duck tour.

New York City is our second stop, where your highlights include visits to the UN Headquarters, the 9/11 Memorial Museum and multi-national corporations.

JOIN FELLOW STUDENTS AND ACADEMICS FROM YOUR FACULTY TO LEARN MORE ABOUT THE UNITED STATES WHILE INCREASING YOUR GLOBAL AND CULTURAL AWARENESS.

Over the two weeks, there will be opportunities to visit a wide range of businesses from small start-ups to multinational companies. You will learn what it’s like to do business and work in the United States and you’ll grow your international network in the process.

‘Since visiting the USA last year, I have made some amazing connections with business leaders and I’m still in contact with them today. Visiting American companies and seeing the differences in how they are run and marketed compared to those in the UK really gave me an insight into organisations operating in a different cultural context.’

YOUR GLOBAL EXPERIENCE

WHEN WILL THE TRIP TAKE PLACE?

During the first and second weeks of the Easter vacation, departing from London on 23 March and returning to the UK on 3 April.

DO I NEED A VISA?

Most UK passport holders don’t need a visa to enter the United States but will be required to fill in a form on the US Electronic System for Travel Authorisation (ESTA) esta.cbp.dhs.gov/esta. It’s your responsibility to obtain the correct travel documents for the trip, but do ask the Global Experiences team for help with the process.

HOW MUCH DOES THE PROGRAMME COST?

The overall trip fee payable to Global Experiences is £1,957. This includes a programme fee of £1,550 and flight costs of £407. The programme fee includes accommodation, university travel insurance and scheduled activities. It doesn’t include meals, transportation to/from the UK airport, visa or ESTA costs (as required), personal items, spending money, or optional activities.

CAN I GET FINANCIAL ASSISTANCE?

In 2019, 65% students who travelled on the USA trip received some form of financial assistance. We believe that no one should be excluded on the basis of cost alone, so we have a number of awards and grants that could cover the majority of your trip fee.

LANCASTER GLOBAL TRAVEL AWARD

This award is available to students in receipt of a means-tested bursary from Lancaster University and will cover 60-75% trip fee, depending on individual circumstances. This assistance can be applied for as part of the online application for the trip.
