YOUR GLOBAL EXPERIENCE

EXPLORE BOSTON AND NEW YORK, 1 – 12 April 2019

WHEN WILL THE TRIP TAKE PLACE?
During the first and second weeks of the Easter vacation, departing from Manchester on 1 April and returning to the UK on 12 April.

DO I NEED A VISA?
Most UK passport holders don’t need a visa to enter the United States but will be required to fill in a form on the US Electronic System for Travel Authorisation (ESTA). It’s your responsibility to obtain the correct travel documents for the trip, but do ask the Global Experiences team for help with the process.

HOW MUCH DOES THE PROGRAMME COST?
The programme costs £1,995. This covers flights, accommodation, university travel insurance, and scheduled activities. It doesn’t include meals, transportation to/from the UK airport, visa or ESTA costs (as required), personal items, spending money, or optional activities.

CAN I GET FINANCIAL ASSISTANCE?
In 2018, over half of students who travelled on the USA trip received some form of financial assistance. We believe that no one should be excluded on the basis of cost alone, so we have a number of awards and grants that could cover the majority of your total fee. Such methods of assistance can be found online and applied for during the online application stage.

Lancaster Global Travel Award (up to £1,795)
Students can apply for this award if they have financial circumstances that would make it difficult to travel without assistance. While it is means tested, we will take applications from anybody who is in need of support.

Santander Flight Grant (up to £500)
We also have grants available from Santander to help support students who are interested in travelling and need further support to attend the USA trip.

College Travel Award (circa £100)
Contact your College Manager for more information.

JOIN FELLOW STUDENTS AND ACADEMICS FROM YOUR FACULTY TO LEARN MORE ABOUT THE UNITED STATES WHILE INCREASING YOUR GLOBAL AND CULTURAL AWARENESS.

Over the two weeks, there will be opportunities to visit a wide range of businesses from small start-ups to multinational companies. You will learn what it’s like to do business and work in the United States and you’ll grow your international network in the process.

‘Since visiting the USA last year, I have made some amazing connections with business leaders and I’m still in contact with them today. Visiting American companies and seeing the differences in how they are run and marketed compared to those in the UK really gave me an insight into organisations operating in a different cultural context.’
