CAR PARKING POLICY DOCUMENTATION

Student Car Parking Policy

2022/23

Effective 1ST October 2022
Student Car Parking Policy for 2022/23

1. Introduction

Lancaster University has very frequent bus services to the city centre (14 per hour during term time weekdays) and excellent routes for walking and cycling. Most students find they do not need a car. For more details on travel to campus please see the Travel Website.

Access to parking is regulated to limited student categories to ensure that those students who really do need a car are eligible for a car parking permit. These are shown in Section 9.

Please also refer to the Car Parking Policy Principal Document for additional policy information, including the policy on parking at Chancellor’s Wharf. This document is available on Policy and Enforcement webpage.

2. General Notes and Requirements

Please note the following general requirements:

- Students without a permit should not park on any public roads close to the University campus. This is in the interests of road safety and the local residents.
- Permits are for the South West Campus Parking Zone on Alexandra Park only (unless stated otherwise) and cost £150 for the full year (12 months).
- Annual permits expire on 30th September 2023.
- The South West Campus Parking Zone does not include the car parks of the Lancaster House Hotel, these are privately managed and enforced.
- The copying of permits is strictly prohibited.
- Only eligible students will be able to obtain car parking permits.
- Any supporting documentation will need to provide proof that the stated criteria are satisfied.
- Applications submitted without the necessary evidence, or where any of the required information is missing, will not be processed.
- Each applicant is responsible for ensuring that their evidence arrives at the Parking Office in the Security Lodge. Electronic delivery is recommended: car-parking@lancaster.ac.uk
- Places of employment within the urban core area can normally ‘reasonably be reached by public transport’, unless work starts before 08:30 (09:45 on Sundays) or finishes after 23:30.
• Student users of plug-in electric vehicles are subject to the same eligibility criteria as student users of other fuelled vehicles. The price charged for a Plug-in Electric Vehicle Permit is £150. This is a parking only charge, an additional payment will be required for the electricity used.

3. Enforcement
For the academic year 2022/23, parking enforcement in the South West Campus Parking Zone on Alexandra Park for the failure to clearly display a valid permit or pay and display ticket will recommence on Monday 17th October 2022. Further details on parking enforcement can be found here.

4. Cost
• Annual Student Parking Permit (South West Campus Parking Zone on Alexandra Park): £150
• Annual Chancellor’s Wharf (Virtual) Permit (not valid on campus): £150
• Termly Student Permits (South West Campus Parking Zone on Alexandra Park or Chancellor’s Wharf): £58 per term

5. Student Staff
Students not resident on campus who are employees of the University or a tenant based on campus working for more than 8 hours per week every week during term-time (between 08:00 -18:00 Monday – Friday) may apply for parking permit. This will be an Alexandra Park Permit valid only in the South West Campus Parking Zone on Alexandra Park for the duration of the employment. Evidence will be required. The employment must be likely to continue for at least two terms. Parking must be in connection with the employment.

This does not apply to student staff on substantive employment contracts with the University. In such cases, the Student Parking Policy does not apply.

6. Students that live on North Campus or South Campus with children aged 5 years or under
Such students are eligible for a Staff Parking Permit and to upgrade this permit to be able to park in the Visitor Parking Zone as well. Please contact the Parking Office in Security to arrange: car-parking@lancaster.ac.uk; 01524 592179.

7. Summer Vacation
Restrictions on permit eligibility for students do not apply in Summer Vacation periods. In these instances, students can purchase a Summer Vacation Permit for the SW Campus Parking Zone on...
Alexandra Park, priced at £58. Note that parking enforcement continues through all vacation periods, including summer.

8. Scratch cards:
Students are not permitted to buy or use one-day parking scratch cards.

9. Categories of students eligible for a parking permit:
Please contact the Parking Team by telephone (01524 592179) or by email (car-parking@lancaster.ac.uk).

</tbody>
</table>

* Category 1: Varying permit lengths for this type of permit apply to reflect the sometimes temporary nature of the mobility impediment or sick dependent relative. This temporary approach to permit eligibility provides a fairer and more appropriate way to manage the need, based on temporary mobility or sickness issues. This is addressed through the issuing of Termly Permits.
