Student Self-evaluation Form for Group Work

Name: Contributed my ideas.				
Contributed my ideas. Listened to and respected the ideas of others. Positively encouraged others in my group and other groups. Compromised and co-operated. Followed the direction of others. Helped to solve problems. Concentrated when working. Took risks by exploring something new to me. Did my share when working in a group. What did I contribute to the process? What problem(s) did I have to solve while I was working and how did I try to solve the main problem I faced? What have I learned from this particular experience and how could I apply what I have learned to other projects and/or everyday life? My two greatest strengths from the list above are: 1. 2. The two skills I need to work on from the list above are: 1.	Name:
