Lancaster University

Open Day Programme 2026

Saturday 12 September | Saturday 17 October
9am-4pm

Your future **starts** *here*

On behalf of our students and staff, welcome to Lancaster University.

Lancaster is a global university with an international reputation for combining world-leading research with a personal educational experience. We rank in the top 15 in the major three UK league tables and hold prominent positions in global university league tables. We take pride in our reputation, and our students do too. Our excellent 2025 NSS results are testament to our high standards of teaching, learning and support.

Studying here provides a chance to be a part of a thriving community made up of students and staff from over 120 countries. Students who choose Lancaster have the opportunity to expand their horizons at an internationally diverse campus set in a stunningly beautiful part of north-west England.

We offer over 400 flexible undergraduate programmes across a wide range of subject areas, and have partnerships linking us with leading institutions in 24 countries. Based around our nine colleges, our campus boasts outstanding facilities and has everything that you need to study, live and thrive. We also maintain excellent relations with businesses to enhance your career progression and help you get to where you want to be.

Our Open Days give you a comprehensive insight into life here, and I encourage you to take advantage of the full range of activities on offer throughout the day. This will help you to make those important decisions about the right course for you at the right university, which we hope will be Lancaster.

Please take the opportunity to speak to our students, who can explain what it is really like at Lancaster, and to our fantastic student services teams, who support every aspect of student life here. You can also find out about the subjects that interest you by speaking to our friendly academic staff.

Finally, please take the time to explore our unique campus and facilities, soak up the atmosphere and sample the Lancaster experience.

We can't wait to welcome you to our community.

Vice-Chancellor

Professor Steve Decent

How to make the *most* of your *Open Day*

Our current students shared their top tips to help you plan ahead for your Open Day.

Make the day as smooth and stress-free as possible by ensuring transport is confirmed and reading all the information provided beforehand. It's a good idea to plan your day based on which talks and tours you want to prioritise – you can use the handy scheduling planner on page 29 of this programme.

While you're here, see the accommodation and find out what the different colleges have to offer. It can be helpful to look at the accommodation options online before getting to Lancaster so you can go to a tour with priorities and questions in mind.

During my Open Day, asking student ambassadors simple questions like 'what's it like being a student here?' reassured me a lot when I felt nervous. The more practical and specific questions are important too: How do the accommodation prices differ? How does the college system work? How would my style of learning change if I did a joint honours degree?

Martha Munro,
Lancaster University
Furness College

I believe it's so important that you could happily imagine yourself at a university. When I came to Lancaster University's Open Day, I fell in love with the campus and am so glad I decided to come here.

If your parents or family are free, I would recommend bringing them along to the Open Day. Ultimately, your opinion is what matters the most but having someone to talk to about these important decisions is beneficial. Also, bring an open mind. You may already have a preference, but the Open Day is such a great opportunity to see somewhere new.

While on campus, make sure you see Alexandra Square. It's where our library, careers support, access to main bus stops and many other integral aspects of university life are located, including so many amazing food options.

Ryan Moynihan,
Lancaster University
Furness College

My biggest advice for your Open Day is to ask as many questions as possible. Speaking to current students is valuable because they can provide honest insights into what university life is really like. You could ask about the course, workload, support from lecturers, societies, nightlife, accommodation and the local area. The more questions you ask, the more you'll be able to make an informed decision about whether it's the right place for you.

It's also worth visiting subject-specific facilities where possible. For example, as a law student, seeing the Mock Court Room was a valuable experience. I also looked at the societies on offer, as they're a great way to meet new people, develop hobbies and become part of the community outside of your course.

If time allows, it's worth walking around the city to get a feel for what is available in terms of shops, restaurants, cafes and nightlife. This can help you decide whether the city suits your lifestyle and what you would want from your university experience.

Kitty Cooper,
Lancaster University
Lonsdale College

On arrival, visit our check-in *and* information points

You can visit any of our check-in and information points to check in when you arrive - you'll just need your QR code from your booking email. Once checked in, you'll receive your Open Day pack. You can also find out more about the day and ask any questions you may have.

You'll find our check-in and information points in a few places around campus –

- Learning Zone (Alexandra Square)
- Great Hall (Map ref GHC)
- LICA Building (Map ref LIC)
- Management School (Map ref MAN)
- Health Innovation One (Map ref HIO)

Our student ambassadors are located all over campus to help you with whatever you need. Whether you're looking for directions or just fancy a chat, our ambassadors will help you make the most out of your day.

Refreshments

You're going to have a busy day, so it's important to plan in some breaks throughout to refuel. Luckily, campus has plenty of places to choose from. Check out Alexandra Square and Edward Roberts Court for some of our most popular spots, or explore the North and South Spine for even more options.

You can also find complimentary refreshments around campus; grab a tea, coffee, morning pastries and some street food samples on us.

Find complimentary refreshments at –

- Learning Zone (Alexandra Square)
- LICA Building (Map ref LIC)
- Management School (Map ref MAN)
- Health Innovation One (Map ref HIO)
- George Fox Building (Map ref GFX)
- College Hubs (County College and Furness College)

We do our best to encourage sustainable practices at Lancaster. Water fountains and refill points are available across campus. Feel free to ask an ambassador for directions.

General talks

Our general talks will take you through everything that Lancaster University has to offer. There's no need to book, just turn up at your chosen time.

Welcome to Lancaster

Join us as we welcome you to campus and give you some context about our university to kick off your Open Day.

Careers and Employability

Get to know what lifelong careers support could mean for you and learn what some of our students have gone on to do after they graduated. You can find out more about student jobs, internships, placements, graduate schemes, further study and enterprise.

Students' Union

Whether it's clubs, sports and societies, volunteering and development opportunities or representing and supporting your university experience, the students' union has a lot to offer you.

Student Finance

This talk will cover scholarships, bursaries, loans, budgeting and everything related to funding your studies.

Applying to Lancaster

Get an overview of the admissions process at Lancaster and get application tips and advice from our admissions experts. For those who are interested in applying to medicine, information regarding the application process will be explained in the subject talk.

Global Experiences

Find out what it means to be part of a global university. Hear about our international partners, study abroad options, global research success and how we celebrate and champion global experiences right here on campus.

Accommodation and Colleges

Hear about our college communities waiting to welcome and support your university journey and get an overview of the accommodation on offer at Lancaster.

Introduction to Foundation Years at Lancaster

Our Foundation Years currently focus on STEM (science, technology, engineering or mathematics) degrees, designed for students who don't have the qualifications to enter straight onto an undergraduate degree. This session allows you to explore the options to prepare for your STEM degree at Lancaster.

All talks run for approximately 40 minutes.

Subject	Campus	Location	Map	Time
Welcome to Lancaster	North	Great Hall	GHC	9.00am, 10.00am, 1.00pm
Applying to Lancaster	North	County South Lecture Theatre	COS	10.00am, 12.00pm, 3.00pm
Introduction to Foundation Years (STEM only)	North	Bowland North Seminar Room 10	BLN	11.00am, 3.00pm
Accommodation and Colleges	North	Great Hall	GHC	11.00am, 2.00pm
Student Finance	North	County South Lecture Theatre	COS	11.00am, 2.00pm
Careers and Employability	North	Faraday Lecture Theatre	FAR	11.00am
Global Experiences	South	Management School Lecture Theatre 17	MAN	12.00pm, 3.00pm
Students' Union (incl. Sport)	North	County South Lecture Theatre	COS	1.00pm

Campus tours

Our campus tours are an ideal opportunity to explore key locations around our campus.

Student-led tours

A current Lancaster student will show you around campus. You'll visit key locations like the library, departmental buildings, social spaces, eateries and essential facilities and get the opportunity to hear how your guide experiences campus as a current student.

There is an increased demand for student-led tours during the morning so you may find the afternoon quieter or consider the self-guided option.

Tours depart from Alexandra Square from 9.00am.

Tours will run throughout the day and last approximately 45 minutes.

Self-guided tours

Self-guided tours are a great option to get to know the campus in a way that suits you. You'll be guided to key locations like the library, departmental buildings, social spaces, eateries, and essential facilities, but we encourage you to wander and explore as much as you like.

You can take a self-guided tour at any time over the weekend.

Tours last approximately 45 minutes, but how long you take is up to you.

To take a self-guided tour, scan the QR code below.

Discover *your subject*

Visit the subject stands across campus to speak to academic staff and learn more about your course of interest.

All subject talks run for approximately 40 minutes and most are repeated through the day.

Dive even deeper into your subject of interest by attending subject talks, taster lectures, demonstrations and tours of some of our academic spaces and department facilities. Staff and students will take you through all the specifics about your chosen subject.

Most of these subject related activities run throughout the day. If you're undecided, we recommend visiting sessions for each subject you're interested in. You can attend as many of these as you like.

Subject	Activity	Campus	Location	Map	Time
Accounting and Finance See also **Management School** on p14.	Subject Talk	South	Management School Lecture Theatre 1	MAN	11.00am, 2.00pm
	Subject Stand	South	Management School Breakout Space	MAN	9.00am - 4.00pm
Architecture	Subject Talk	North	Bowland North Seminar Room 10	BLN	12.00pm, 2.00pm
	Subject Stand	North	LICA Building	LIC	9.00am - 4.00pm
	Tours	North	Bowland North Seminar Room 10	BLN	12.45pm, 2.45pm
	Join us straight after the subject talk to explore the LICA building and Bailrigg House which are the locations of our architecture studio and facilities.				
Biosciences including: **Biochemistry** **Biology** **Biomedicine/Biomedical Science** **Ecology and Conservation** **Neuroscience** **Pharmacology/ Pharmaceutical Science** **Zoology**	Subject Talk	South	Biology Lecture Theatre	LEC	11.00am, 1.00pm
	Subject Stand	South	Lancaster Environment Centre - Atrium	LEC	9.00am - 4.00pm
	Subject Demonstrations	South	Lancaster Environment Centre – Lab A	LEC	10.00am - 3.00pm
	Demonstrations relating to each of our Biosciences subject areas take place throughout the day in our teaching laboratory. Join us to see some of the fascinating work taking place and feel free to ask the academic staff any questions you may have.				
	Tours	South	Lancaster Environment Centre - Lecture Theatre Foyer	LEC	10.00am - 3.00pm
	Take a tour around key locations in the department with our staff and student ambassadors. Tours run between 10.00am - 3.00pm and last around 20 minutes. Please sign up to your preferred time in the foyer outside Biology Lecture Theatre.				
Business Analytics See also **Management School** on p14.	Subject Talk	South	Management School West Pavilion Lecture Theatre 14	MAN	11.00am
	Subject Stand	South	Management School Breakout Space	MAN	9.00am - 4.00pm
Business and Management including: **Business and Human Resource Management** **Business Management** **Business Management (International Dual Degree)** **Business Management for Entrepreneurship** **International Management** **Management and Digital Technologies** See also **Management School** on p14.	Subject Talk	South	Management School West Pavilion Lecture Theatre 18	MAN	11.00am, 1.00pm
	Subject Stand	South	Management School Breakout Space	MAN	9.00am - 4.00pm
Chemistry	Subject Talk	North	Faraday Lecture Theatre	FAR	10.00am, 1.00pm
	Subject Stand	North	Chemistry Building - Foyer	CHE	9.00am - 4.00pm
	Tours	North	Chemistry Building - Foyer	CHE	10.45am - 3.00pm
	Our department tours are a great opportunity to get insight into our teaching and facilities. Tours last between 30 - 45 minutes and are delivered by an academic and a student ambassador.				
	Demonstrations	North	Chemistry Building - Foyer	CHE	9.00am - 4.00pm
	Staff and student ambassadors will be running a selection of chemistry demonstrations in the department throughout the day to give attendees the opportunity to experience some practical chemistry for themselves. These may vary from day to day, but will include computational, analytical and physical chemistry demonstrations.				
Computing and Communications including: **Computer Science** **Software Engineering** **Cyber Security** **Data Science**	Subject Talk	South	Management School Lecture Theatre 1	MAN	10.00am, 1.00pm
	Subject Stand	South	InfoLab - Foyer	INF	9.00am - 4.00pm
	Tours	South	InfoLab - Foyer	INF	11.00am - 1.00pm, 2.00pm - 4.00pm
	Departmental tours provide a short introduction to our teaching spaces, lasting 30-45 minutes. Booking is required at the subject stand.				
	Meet & Chat	South	InfoLab - Skylounge	INF	11.00am - 12.00pm, 2.00pm - 3.00pm
	Our student ambassadors and academic staff will be available to answer questions about our Computing courses, as well as student life at Lancaster.				
Criminology	Subject Talk	North	Bowland Main Lecture Theatre	BLM	11.00am, 1.00pm
	Subject Stand	North	LICA Building	LIC	9.00am - 4.00pm
	Taster Lecture	North	Frankland Lecture Theatre	FAR	2.00pm
	Join us for this interactive taster lecture, in which you'll experience what it's like to be a Criminology student student at Lancaster.				
Design	Subject Talk	North	LICA C01	LIC	11.00am, 1.00pm
	Subject Stand	North	LICA Building	LIC	9.00am - 4.00pm
	Tours	North	LICA C01	LIC	11.45pm, 1.45pm
	Join us straight after the subject talk to explore the LICA Building which houses our facilities for Design.				

Subject	Activity	Campus	Location	Map	Time
Digital Media, Media and Cultural Studies	Subject Talk	North	Cavendish Colloquium Room	FAR	10.00am, 12.00pm

Philosophy (including Philosophy, Politics and Economics)	Subject Talk	North	Welcome Centre Lecture Theatre 2	WEL	10.00am, 1.00pm
	Subject Stand	North	LICA Building	LIC	9.00am - 4.00pm
	Taster Lecture	North	Welcome Centre Lecture Theatre 2	WEL	12.00pm
	Want to try a Philosophy (including Philosophy, Politics and Economics) lecture? Then please join us for this taster talk, where an expert from the programme will offer a lecture based on their research and teaching. You'll be able to meet staff and ambassadors and discover more about how we do philosophy at Lancaster.				
Physics and Astronomy	Subject Talk	North	Faraday Lecture Theatre	FAR	12.00pm
	Subject Talk	North	Cavendish Lecture Theatre	FAR	2.00pm
	Subject Stand	North	Physics Atrium	PHS	9.00am - 4.00pm
	Physics Student Q&A	North	Cavendish Colloquium Room	FAR	1.00pm
	Our student ambassadors will be available to answer any questions about our Physics programmes and student life at Lancaster.				
	Tours	North	Physics Atrium	PHS	10.00am - 4.00pm
	Our student ambassadors will be running 45 minute department tours on the hour between 10.00am and 4.00pm. This is the perfect opportunity to explore our department, see our facilities, and get an idea of what it's like to study Physics at Lancaster. Please ensure you book your tour in advance by collecting a ticket from the Physics Department on the day of the event.				
Politics, International Relations (including Politics and International Relations)	Subject Talk	North	Cavendish Lecture Theatre	FAR	11.00am, 1.00pm
	Subject Stand	North	LICA Building	LIC	9.00am - 4.00pm
	Taster Lecture	North	Welcome Centre Lecture Theatre 1	WEL	2.00pm
	This taster lecture in Politics and International Relations will introduce you to some key issues at the core of contemporary (inter)national politics. It focuses on some of the diverse topics that you can explore in your Politics and International Relations degree at Lancaster.				
Psychology	Subject Talk	South	George Fox Lecture Theatre 1	GFX	10.00am, 1.00pm
	Subject Stand	South	George Fox Building - Foyer	GFX	9.00am - 4.00pm
	Tours	South	George Fox Building - Foyer	GFX	10.00am - 3.00pm
	Psychology will be offering guided tours around the department, including both teaching and research facilities. The tours will leave from our subject stand every 20 minutes, and they will be led by our brilliant Psychology student ambassadors.				
	Interactive Activities/PEP Information	South	George Fox Building - Foyer	GFX	9.00am - 4.00pm
	Join in with interactive activities and find out about Lancaster's unique PEP (Psychology Employability Programme) placements. You can chat with our academic staff and current students, discovering more about our courses and how PEP placements develop skills for future careers.				

Subject	Activity	Campus	Location	Map	Time
Social Work	Subject Talk	North	Marcus Merriman Lecture Theatre	BLN	10.00am, 1.00pm
	Subject Stand	North	LICA Building	LIC	9.00am - 4.00pm
	Tours	North	Marcus Merriman Lecture Theatre	BLN	10.45am
	Join the Social Work team after the first subject talk for a guided tour around their teaching spaces including the Social Work Skills Lab and Mock Court Room. Tour will last approximately 30 minutes.				
Sociology	Subject Talk	North	Marcus Merriman Lecture Theatre	BLN	11.00am, 2.00pm
	Subject Stand	North	LICA Building	LIC	9.00am - 4.00pm
	Student Experience Session	North	Welcome Centre Lecture Theatre 2	WEL	3.00pm
	Meet current students as they share their experiences of what they have studied and how to get the most out of life at university.				
Sports and Exercise Science	Subject Talk	North West	Health Innovation One Lecture Theatre	HIO	11.00am, 1.00pm
	Subject Stand	North West	Health Innovation One	HIO	9.00am - 4.00pm
	Drop-in	North West	Human Performance Laboratory - Sports Centre	SPC	10.00am - 3.00pm
			Biomechanics Laboratory – Health Innovation One	HIO	
	View the Sports and Exercise Science learning environment, including our new Biomechanics Laboratory and state-of-the-art Human Performance Laboratory. It takes around 45 minutes to see both locations, but you can drop in to chat with staff and current students any time between 10.00am – 3.00pm.				
Theatre and Performing	Subject Talk	North	Nuffield Theatre	GHC	11.00am, 1.00pm
	Subject Stand	North	LICA Building	LIC	9.00am - 4.00pm
	Tours	North	Nuffield Theatre	GHC	11.45am, 1.45pm
	Join us straight after the subject talk to explore the LICA Building and Great Hall Complex which house our facilities for Theatre and Performing.				

If you're able to, we recommend taking the footpaths around campus to get to Health Innovation One. It's a 15-minute stroll from the centre of campus and you'll get to see our sports pitches and woodland trail along the way. There's also a free shuttle bus to take you door to door, if that suits you better, from outside the Chaplaincy Centre (Map ref CPC).

Explore our accommodation

Our accommodation is designed to help you settle in, make friends and feel at home from the moment you arrive. Whether you choose a shared flat, townhouse or self-contained studio, you'll live within your college and become part of a sociable and supportive campus community.

During your Open Day, you're invited to explore our accommodation options and get a real feel for student living. This is a great opportunity to see different room types and decide which spaces suit you best.

> *"Each college has a slightly different range of room types and flat sizes, so everyone can find the right place for them."*
>
> **Martha Munro, Lancaster University Furness College.**

Accommodation *welcome points*

Start by heading to County College Common Room (North Campus) or Furness College Foyer (South Campus). Here, you can chat with our friendly and knowledgeable Accommodation Team. They'll be happy to answer your questions and provide a detailed map highlighting which residences are open for viewing.

Once you've got your map, you're free to visit any of the listed accommodation sites, where student ambassadors will be on hand to offer guided tours. They'll share their own experiences of living in university accommodation, offer insights into daily student life, and help you picture what it's like to call our campus 'home'.

Please note: accommodation tours will not run between 12.30pm and 1.15pm while our student ambassadors take a short break.

Find out more

Support when you need it

At Lancaster, you'll be surrounded by a supportive community invested in your health, wellbeing and student experience. We're on hand all day to chat with you – find us in the Learning Zone in Alexandra Square.

Student wellbeing services

Our Wellbeing Service offers a range of support tailored to your individual needs, helping you manage university life and develop the skills and confidence to succeed. Support ranges from advice and guidance through to specialist, practitioner-led services, all designed to help you understand and manage the impact of any disability, mental health or wellbeing concern on your studies.

This includes the Wellbeing Partnership Service, Student Mental Health Service, and the Disability and Inclusive Practice Service, which can support with reasonable adjustments, Disabled Students' Allowance, and inclusive teaching approaches. You can also learn more about our pre-arrival programme, which supports students as they transition to university through online information and targeted events.

Learn more about student support and wellbeing at Lancaster University:

Chaplaincy / Multi Faith Prayer Spaces

Lancaster University is committed to supporting students of all faiths and none. Dedicated prayer and reflection spaces are available in The Chaplaincy Centre on campus, with single and multi-faith rooms available for prayer, contemplation, and reflection. If you're visiting on an Open Day and would like to use the prayer facilities or have any questions, our staff and student ambassadors will be happy to point you in the right direction.

Admissions

Our admissions team will be available to talk through the application process, entry requirements, deadlines and how applications are assessed.

You can find out more in our Applying to Lancaster presentation at 10.00am, 12.00pm or 3.00pm in County South Lecture Theatre (Map ref COS).

Funding

We believe that funding concerns shouldn't hold back any student with the talent to thrive at Lancaster.

Speak to our Student Funding Team about the range of generous scholarships, bursaries and loans available to help you understand what funding you might be entitled to and how to access it.

Head to our Student Finance presentation at 11.00am or 2.00pm in County South Lecture Theatre (Map ref COS) to learn more.

Global experiences

We're proud to be a truly global university, offering opportunities to engage with cultures and perspectives from around the world. Our international community includes:

- Staff and students on campus from over 120 countries
- Over 180,000 graduates in more than 190 countries
- 140 partner institutions across the globe
- Five international campuses teaching Lancaster University degrees

Discover what it means to be part of a global university in our Global Experiences talk at 12.00pm or 3.00pm in Management School Lecture Theatre 17 (Map ref MAN). You'll hear about our international partners, study abroad options, overseas vacation programmes and how we celebrate and champion global experiences right here on campus.

IT and digital

Come and chat with our team in the Learning Zone about IT services and digital support at Lancaster. They can help with questions about bringing your own devices and getting them connected, accessing software, using campus computers and printers, or accessing IT services when you're not on campus.

Moving onto Master's

Whether you're ready for postgraduate study now or thinking about it after your undergraduate degree, come and chat to find out everything you need to know about what a master's is, the options available to you and how they are funded.

Careers and employability

HELLO FUTURE

A degree from Lancaster opens a world of possibility for your future. Alongside becoming an expert in your subject, you'll develop transferable skills that will help you stand out in the graduate job market.

At Lancaster, we are dedicated to providing you with the best opportunities to begin your career. We know it can be daunting to start thinking about your future, so our team of experienced careers professionals will be on-hand to give you the support you need throughout your student life.

Our Careers and Employability Service staff are available for appointments regarding placements, internships and part time jobs, as well as how we can help you find the right graduate opportunity after your studies. You can also learn about how you can meet employers, access individual careers support, develop new skills, grow a professional network, and enhance your CV.

Lancaster students benefit from excellent career prospects and free lifelong careers guidance. This means if your circumstances change or your goals shift, we're always here for you.

If you would like to find out more about the Careers and Employability Service at Lancaster University, you can come along to our Careers and Employability presentation at 11.00am in Faraday Lecture Theatre (Map ref FAR), or come and chat to us in the Learning Zone in Alexandra Square.

TOP 30

Lancaster is one of the top 30 most targeted universities by the UK's leading graduate employers

High Fliers 2026

Nine colleges, *one home*

We're proud to be one of a handful of UK universities with a collegiate system. Our colleges are vibrant hubs of activity that are central to the Lancaster experience, and they're a huge part of what makes us special.

Every student at Lancaster belongs to one of nine colleges – eight for undergraduate students and one for postgraduates. Here, you'll shape long-lasting friendships, take part in friendly competitions, and get involved in college traditions. You'll even graduate together at the end of your degree.

Your college will help you feel at home from the moment you arrive, with social events and welcome reps on hand to guide you. Throughout your time here, dedicated college staff will be your first point of contact for any questions or concerns.

You might also get involved with your college's JCR (Junior Common Room) Executive. JCRs represent the student voice within each college and organise a wide range of social activities, events and wellbeing initiatives.

Whether you're looking for somewhere to study, relax, or spend time with friends, each college has social spaces open to all students. Students who live off campus still belong to a college and can make use of all the facilities, including kitchens and lockers.

Choosing your college isn't something to worry about. All offer similar levels of support, so the decisions are usually based on your preferred type of accommodation and where you'd like to be located on campus.

> *"Being part of a college has given me a real sense of belonging within the wider university. It makes the campus feel smaller and more personal because you're part of a community right away."*
>
> **Majka Ciepielewska, Lancaster University Bowland College.**

You can learn more in our Accommodation and Colleges talk at 11.00am or 2.00pm in the Great Hall (Map ref GHC). You can also speak to friendly college staff in County College or Furness Colleges.

Discover the colleges

Visit the college hubs to take a look around the facilities and social spaces and find out more about all of our colleges. Two of the colleges will be open, with tea, coffee, and food available to enjoy:

- **County College –** soup and a roll (12.30pm-1.30pm)
- **Furness College –** breakfast (10.30am - 11.30am)

Campus *life*

You'll find everything you need on campus to support a fulfilling student experience.

Library

At the heart of campus, our library offers an impressive collection of physical and digital resources. Open 24/7 during term-time, it provides a variety of technology-enabled workspaces for both individual study and collaborative group work.

In the 2025 National Student Survey, we received a 93.9% positivity score for library resources. Visit to find out why: guided tours are available on demand from the information desk (Map ref LIB). You're also welcome to explore the library without a guide at any time.

Food and drink

Our campus is often described as a small town of its own, with cafes, takeaways, and restaurants serving delicious flavours from around the world. Whether you're craving a freshly baked pizza from Pizzetta Republic, an artisanal coffee from Coastal, or flavourful street food at the weekly farmer's market, good food and drink is never far away.

Sports centre

We've invested over £20 million into our sports centre facilities, which includes a fully equipped fitness suite, competition-standard strength and conditioning room, climbing wall, swimming pool, sauna and steam room. You'll also find courts, pitches, studios and sports halls for various activities.

Lancaster students benefit from a generous discount on gym memberships. Join a team, go to group classes, or train solo – whatever you prefer, you'll have the space and support to stay active in a way that suits you.

Drop into the Sports Centre (Map ref SPC) for a tour around the impressive facilities.

Your students' union

Lancaster University Students' Union (LUSU) is your home for enriching student experiences.

Lancaster University Students' Union (LUSU) is here to make sure your time as a student is everything it should be. We support your social life and studies, sporting activities, hobbies, interests, and the causes you care about.

Every student at Lancaster University is automatically a member of LUSU, so you'll have access to all the services and support on offer.

LUSU provides everything our students could need, including our very own letting agency, LUSU Living, and our student-only nightclub: The Sugarhouse.

Your activity groups are at the heart of your Lancaster experience. And with more than 200 clubs affiliated with LUSU, there's something for everyone. Whether you're into sports, have a cause that you're passionate about, a culture or faith you follow, a hobby you want to nurture, or you just want to try something new, we can help you find your sense of belonging.

We're also ready to represent and support you. Our elected officers campaign for the things that matter to you most - from academic matters to welfare issues.

Our dedicated LUSU Advice Service is here to help too. Our trained advisors can empower you to make the right decision for you, academically or otherwise.

You can find out more about the students' union by visiting us in the Students' Union Village in Alexandra Square or attending a talk at 1.00pm in County South Lecture Theatre (Map ref COS).

For further information, visit **welcometolancaster.co.uk**

LUSU Green

If you're passionate about sustainability, or looking for volunteering opportunities to get involved at your students' union, then look no further than LUSU Green. LUSU Green, a fully incorporated programme of Lancaster University Students' Union, runs various initiatives throughout the academic year where students can join in - from planting trees on campus, to wellbeing walks and sustainability and leadership development.

Positive change *for people and the planet*

Award-winning climate action

Our commitment to sustainability is recognised nationally and internationally. Lancaster is joint 25th in the UK in the QS World University Rankings: Sustainability 2026. We also won the '2030 Climate Action' category in the 2025 Green Gown Awards.

Our beautiful 578-acre parkland campus is home to over 35,000 trees and plenty of green space where you can enjoy the outdoors.

We've committed to becoming carbon net zero from all emission scopes by 2035. From our solar farm to the ECOHub allotment and orchard, we're investing in initiatives that support a more sustainable future. We also protect local wildlife, ensuring our campus is a safe place for species like hedgehogs.

Bike *hire*

Around campus, you'll find secure cycle parking zones and bike repair zones. There are several established cycle routes as well as a route between campus and the city centre, making it easy and safe to travel by bike.

With a Big Bike Sale in Welcome Week, and the Bike Hire Scheme operating all year round, students can travel affordably while reducing their environmental impact.

ReStore *Lancaster*

Browse eco-friendly clothing and homeware at our sustainability shop, ReStore, which donates a percentage of its profits to St John's Hospice. The shop also provides an eco-friendly refill station and hosts events and volunteering opportunities for students.

Visit ReStore, located in Alexandra Square, during your Open Day to browse their products and learn more about how students get involved.

Art and *culture*

A creative city that's full of character, Lancaster offers a vibrant art and culture scene with plenty to discover during your time as a student.

Lancaster Arts

Lancaster Arts is the University's professional contemporary arts organisation, with a long-established artistic reputation for the creation, development and presentation of cutting-edge contemporary arts. They offer opportunities to engage with a variety of inspiring art and artists right here in Lancaster.

Part of Arts Council England's portfolio, the organisation operates across the University's dedicated art venues – the Nuffield Theatre, the Great Hall and the Peter Scott Gallery – as well as across campus and the wider region.

Students can also get involved through the Lancaster Arts volunteering programme, which offers behind-the-scenes experiences, opportunities to build practical skills, and the chance to connect with creative communities both within and beyond the University.

Head into the city

As one of England's most fascinating heritage cities, Lancaster has a rich history waiting to be explored. Take a tour of the beautiful Lancaster Castle or visit one of the city's museums to uncover its extraordinary stories.

As well as its historic charm, Lancaster boasts a lively contemporary cultural scene with independent theatres, cinemas and entertainment spaces alongside pubs, cafes and bars with regular live music. The city truly comes alive during Light Up Lancaster – a magical immersive light festival that illuminates the streets each year.

The city *and beyond*

Lancaster city centre is just three miles from our campus and can be easily accessed by bus, car, bike or on foot.

Nestled between two of the UK's most famous National Parks (the Lake District and the Yorkshire Dales), Lancaster is a historic, student-friendly city in the north-west of England. Compact and easy to navigate, it offers everything you'd expect from a city, plus the added advantage of nearby coastline and countryside.

Among the cobbled streets and stunning architecture, you'll find familiar high-street names alongside a thriving coffee quarter, unique bars, stylish boutiques, and quirky entertainment spaces where students like to relax and socialise.

Our city also blends green space with urban life. A popular spot for students is Williamson Park: 54 acres of park and woodland where you can walk, relax, picnic, and even visit a mini zoo.

With excellent transport links, Lancaster is well connected. Trains reach the Lake District in 30 minutes, Manchester in an hour, and London or Edinburgh in around 2.5 hours.

Self-guided city tour

While you're visiting us at Lancaster, why not head into the city? Our self-guided tour will take you around the city at your own pace, showing you the history, culture and sights of Lancaster. It's a great way to see if you can picture yourself living and learning here.

General *information*

Dietary requirements

With full Allergen Accreditation across campus, suitable meals are always provided for all 14 allergens and other main food intolerances at Lancaster University-owned bars, cafes, and restaurants. You can check each dish for allergen awareness by using FoodChecker in these food and drink outlets.

Wi-Fi

Stay connected during your visit by connecting to our LU-Visitor Wi-Fi network.

Safety information

In the event of an emergency, please contact our security team. Dial 444 on any internal phone or call 01524 594541 from an outside line.

Smoking in any University building and under the covered walkway is not permitted.

If the fire alarm sounds continuously, please leave the building by the nearest fire exit. Our staff and student ambassadors will direct you to the nearest assembly point.

Quiet hour

To help make our Open Day welcoming for everyone, we're offering a quiet hour from 3.00pm - 4.00pm at the end of the day. During this time, we'll reduce noise levels, avoid loud announcements, and create a calmer environment across key areas. There will also be a sensory room available where you can take breaks throughout the day.

This is especially helpful for visitors who are neurodivergent, have sensory sensitivities, or prefer a more peaceful space to engage with our students and staff.

If you need any additional support or quiet spaces throughout the day, please speak to a member of our team – we're here to help.

First aid

If you require any first aid, please notify a member of staff or student ambassador who will be able to direct you to your nearest first aid point.

Lost and found

Anything that we find on the day will be taken to our Student Centre & Welcome Hub. If you have lost anything, please email **visitus@lancaster.ac.uk**.

Photography

Lancaster University will be taking photographs and filming throughout the Open Days, including the September and October events. Images and footage may be used by the University to promote future events across a range of print and digital media, including publications, websites, and social media. If you have any concerns about appearing in photographs or video footage, please speak to a member of the University Marketing team, who will be accompanying the videographer during the Open Days.
See our privacy notice at **lancaster.ac.uk/privacy**

Getting to campus

Exit the M6 motorway at Junction 33 and take the A6 north towards Lancaster. After Galgate village turn right at the second traffic lights into the University main drive. From here our car parking team will direct you.
If using a route planner or sat nav please use the postcode LA1 4YW.

If travelling by train you can catch our free shuttle service from the exit on platform 3 straight to the Chaplaincy Centre (Map ref CPC) from 8.00am. The last shuttle service back to the train station is at 4.30pm from the Chaplaincy Centre.

Getting around campus

There are lots of student ambassadors dotted around campus if you need directions. You can also navigate campus using our interactive map.

MazeMap

Continue the conversation

We hope you get the chance to ask plenty of questions during the Open Day, but just because the day is over, it doesn't mean that the conversation has to end.

Visit our online Unibuddy Community to chat with our friendly student ambassadors and staff members. Whether you have questions about admissions, scholarships or campus life, we'll be able to help you get the answers you're looking for.

Important information

The information in this publication relates primarily to 2027-28 entry to the University and every effort has been taken to ensure the information is correct at the time of printing (June 2026). The University will use all reasonable effort to deliver the courses as described but the University reserves the right to make changes after going to print. In exceptional circumstances that are beyond the University's reasonable control (Force Majeure Events), we may need to amend the programmes and provision advertised. However, in this event, the University will take reasonable steps to minimise the disruption to your studies. You are advised to consult our website at **lancaster.ac.uk/study** for up-to-date information before you submit your application. More information on limits to the University's liability can be found in the Student Contract at **lancaster.ac.uk/terms**. Further legal information may be found at **lancaster.ac.uk/compliance/legalnotice**.

Contract terms for students

The University strives to provide excellence in teaching and research, and to enhance the student experience by focusing on the needs of our students and by seeking to instil a shared sense of inclusiveness, collegiality, and community. Underpinning this partnership, the University has a supportive set of regulations, policies, and procedures, which are designed to protect and maintain both academic quality and your rights and responsibilities as students of our university. The Student Contract sets out these rights and responsibilities, and states the obligations of both parties to each other. Further information can be found at **lancaster.ac.uk/terms**.
